Dear Sir:

Re: Catalogue No. 777.
Garry St. & 1st Ave.

Your letter of April 29th, 1944, enclosing cheque for \$50.00 and offer to purchase the above property for the sum of \$500.00 has been received and considered.

This is to advise you that we are prepared to recommend the acceptance of this offer. Will you please forward to us certified cheque for the balance of the purchase price, namely, \$450.00.

Kindly advise the full name, address and occupation in which this property is to be registered and also state whether or not the purchaser is a British subject.

The necessary documents will then be prepared and forwarded to the Secretary of State at Ottawa, and if our recommendation is acted upon, the documents will be signed and returned.

A statement of adjustments of taxes, etc. will then be prepared, including registration fees, and forwarded to you, after which the documents will be submitted for registration.

The tenant will then be advised that the property has been sold, subject to the existing tenancy, and you will then be in a position to assume control of this property.

Yours truly,

F. G. Shears,
Director.

Attention Mr. Fisher

Dear Sir:

Re: ADACHI, Kiyoko (Mrs. Kiichiro)

The above lady did not declare anything to the Custodian but we have now heard from Mr. Russell at Lethbridge as follows:

"This woman wishes to have her sewing machine sent forward to her and states this is stored in the Celtic Japanese school.

"She also wants some other articles that are at the Imperial Cannery, Celtic and is writing a friend to hunt these out for her and they will advise you when ready for shipment.

"This shipment is to be sent freight C.O.D."

As you know, everything in the Celtic Japanese school is jam packed and we shall not be able to get around to sorting this just yet. We will let you know when we do and meanwhile send you this letter in duplicate in order that you may send one copy to Mr. Russell.

A great many of your Supervisors are still writing us letters instead of filling up the standard application forms and sending them to you in triplicate.
