Mr. & Mrs. Giichi FUJIKAWA,
Reg. Nos. 12171 and 12172,
c/o Peck Farms & Ranches,
Lethbridge, Alberta.

Dear Sir & Madam

Re: Settlement of Crop Claims.

The Custodian's Office has received quite a number of claims from tenants who leased farm properties from persons of the Japanese race and whose growing crops were sold to the tenant under written agreement which contained the specific acreage said to be under cultivation.

The claims filed with the Custodian have been based on the difference between the acreage specified in the agreement which you signed, and the actual acreage of crops under cultivation.

We have gone into this matter very carefully and the difference in acreage has been established by actual measurements. Legal opinion which we have obtained on your behalf, advises us that the agreement you signed would leave you liable for the full amount of the claim. However, we have been able to secure the consent of the tenants to the reduction of their claims to 70% of the full amount.

The amount claimed against you for a difference of 1.20 acres amounted to \$150.00 and a settlement on the basis of 70% which amounts to \$105.00 has been charged to your account and this letter is being sent so that you may be aware of the circumstances of this charge.

Yours truly,

R. P. Alexander,
Manager.
