Matt Brown, Esq.,

Dear Mr. Brown:

Re: TAMA HIGASHI, Ground Lot 303,
Canadian Collieries(Dunsmuir) Ltd., Union Bay.

We have received a request in writing from the above asking release of the following goods:

- 1 box containing canned & preserved food.
- 1 small box of kitchen utensils.
- 5 bottles of soy sauce (in a cupboard of kitchen)

Would you kindly arrange shipment of these goods to Mrs. *Greenwood* Higashi, in care of the B.C. Security Commission, Hastings Park, with charges Collect, and this will be your authority for so doing. It may be that the duplicate of this request has already gone forward to you as it is missing from the file. *BE.*

It appears from the registration of Shizueichi HIGASHI, husband of Mrs. Higashi, that at the house known as 303 Union Bay, certain furniture and effects were left. There is no correspondence on file to indicate what has happened to these, so we would appreciate it very much if you would, while looking after Mrs. Higashi's food requisition, check up on the whereabouts of these chattels.

We enclose a copy of list which was attached to the registration form, for your convenience.

Yours truly,

H. F. Green,
Manager, Protection Department.

We have received the following telegram

Seeing that the goods requested in our

dire as the above lady makes out. You will doubtless,
however, dispatch these goods at your convenience.
