The following table is extracted from record books received from the B.C. Packers Co., covering their IMPERIAL CANNERY (K. SAIMOTO) net house. The Japanese Fish Collectors were instructed to have the Japanese fishermen enter in these record books the nets which were left by them in the company net houses.

The original record books are in the hands of Mr. F.G. Shears, Director.

Dear Sir:

Your letter of March 23rd has been received.

We would advise that it is the policy of the Custodian to maintain as high credit balances as possible for all of its Japanese wards. The reason for this will be plain to you. It is the practice to disburse whatever may be needed for maintenance monthly, so that the funds will not be dissipated more quickly than is necessary.

On the other hand in any case in which there is any reason for which any person requires the funds at credit, consideration will be given. If, therefore, there is any reason why you need the whole fund, please so state, explaining fully.

In the meantime we are sending you a cheque in the amount of \$50.00. Further funds will be forwarded as required.

Yours truly,

P. H. Russell,

Dear Sirs:

We have your letter of May 22nd purporting
to be signed by both of you.

You ask for \$100.00 per month. It is pre-
sumed that you desire \$50.00 to be charged against each
account and we are accordingly noting our files to send
to you each \$50.00 from each account so long as your
credits last.

If this is not in accord with your desires,
please inform us.

Dear Sir:

We are omitting the \$50.00 usually sent to you
for maintenance.

At this time we feel obliged to call your attention
to the fact that in consequence of such withdrawals, your assets
in the hands of the Custodian are rapidly diminishing. In your
own very best interests, we suggest that you review your circum-
stances, determine the very minimum amount of maintenance you
require and endeavour to leave intact as large an amount as possible
in the hands of the Custodian. By so doing, not only will the
funds be available for unexpected emergencies, but you will have
waiting for you the largest possible amount which you can use when
re-establishing yourself at a later date.

Please express your views in this connection.

Dear Sir: -

We have received the cheque of \$50.00 each for June and July which was credited for the sale of our nets, but wish to advise you that I have not received any this month, so we like to ask you to continue the remittance. We would be very pleased if you can double the remittance to the amount of \$100.00 each.

I also wish to enquire you whether the radios can be released now, and if the use of shortwave is forbidden, can it be released with the shortwave taken out?

Very truly, yours,

Dear Sir:

In reply to your inquiry of August 26th in connection with the release of radios, we wish to advise that the Custodian is not in a position to grant permission for the release of these machines to persons of Japanese origin residing in British Columbia, but makes no objection to the release if permission is secured from the Royal Canadian Mounted Police.

The removing of the shortwave attachment and the shipping of the radio are handled by the British Columbia Security Commission at the owner's expense.

Dear Sirs:

Further to your letter of February 15th
regarding nets not listed on the statements sent you,
we would advise you as follows:

The 8 $\frac{1}{2}$ " net appears on statement as sold
for \$30.00; 5 $\frac{1}{2}$ " net included with 5 $\frac{1}{2}$ " net sold for
\$45.00 (shown on statement). The balance of the nets
and lines, including those of Eiji's, remain unaccount-
ed for, but as the cannery is unwilling to accept any
responsibility for Japanese nets left with them --
which we thought was fully explained to you at the
time of evacuation -- there is little we can do for you
at the present time.
