Dear Sirs: Mrs. MURAKAMI, Box 40, Coombs, B.C.

On November 25, 1942, you filed a claim on behalf of Drs. Bissett, Watson, McHaffie & Beevor-Potts for the sum of $3.00 against the above named woman.

We have been informed by Mrs. Yoshio MURAKAMI, who formerly lived at the address given, that at the time treatment was received the sum of $3.00 had been paid to these doctors.

It is possible that an error was made in regard to this claim. If not, would you kindly supply a statement showing how the claim was arrived at?

Yours truly,

F. Matheson,

P. S. All funds standing to the credit of this woman and her husband will be remitted to them on December 2, 1946, if we have not heard from you before that date, as it will be assumed that the claim referred to above is in error.

Dear Sir:

Further my letter 14th inst. and your Custodian Release of October 27th, letter of Nov. 15th from Mr. Matt Brown at Cumberland reads as follows:

"In checking up at Royston storage we find only 2 pieces left in storage which are #14 - 1 box of effects and #6 - 1 barrel of effects, approx. 100 pounds. Balance asked for, #9 - 10 - 11 - 15 - 16 - 17 - 19 - 20 - 21 - 22 - 23 - 24 - 25 - 26 and bulk tools, were sold by auction, Aug. 23/44, while #3, rice, and #12, box of effects, were shipped out c/o B.C.Security Commission, Vancouver, B.C. on May 26/44.

This will keep you to date on the above. Awaiting your instructions regarding shipping the articles left in storage."

From the above it is doubtful whether it would be worth while to ship you the one barrel 100# effects remaining on hand. Also, as I wrote you before, we will not undertake to make any COD shipments. If you want this barrel you had better send the money direct to Mr. Brown to pay all charges as far as Shalalth at least.

Attached is a Release made out from the information received in a letter from the above, the original of which letter is being sent to the Custodian as authorization.

As it is very likely that many of these chattels have already been sold and that the rice has deteriorated or been destroyed, should like to have Mr. Brown give us an idea of what there is left for shipment and whether or not it would be in line with your programme to release the goods. Would prefer that no action be taken or any expense incurred until we hear further from Mrs. MURAKAMI with a deposit to guarantee the charges as it is not practicable to ship C.O.D. as she requests to Minto. This, of course, unless Mr. Brown himself wishes to run the risk of having Neal Evans Transportation make the collection of all the charges on the arrival at Minto. Will Mr. Brown please reply.

Dear Sir:

Re: Fukuichiro SUENAGA and
Mrs. Yoshio MURAKAMI

In answer to your letter of January 30th which enclosed reports of four Japanese, we see that we have acknowledged those of the first and fourth but not the second and third being those set out at the head of this letter.

Insofar as Fukuichiro Suenaga is concerned, everything seems to be in order.

Insofar as Mrs. Yoshio Murakami is concerned, we notice that a few items being Nos. 4, 20 (part of bed), and 24 in value a little over $10.00, are unaccounted for. These items are of such small value that no special check need be made but you might bear the matter in mind for investigation when time permits.

Yours truly,

H. F. Green,
Protection Department.
