House No. 307,

Dear Madam:-

The Custodian is pleased to inform you that arrangements have now been completed whereby Canadian Collieries (Dunsmuir) Limited, have taken over numerous houses on their properties that were at one time occupied by persons of the Japanese race.

As the company owned the land, the right to use and occupy such buildings was contingent upon payment of a nominal rent. We are informed that the right of occupation and use of any structure on the land was to terminate if the occupier ceased to be an employee of the Company. The Corporation, however, agreed to pay an estimated salvage value for the buildings, and pursuant to the agreement, the Company's Inspection Engineer, along with our agent, appraised each building on the basis of its value to the Company, in connection with their building plan.

You occupied the building known as House #13, No. 1 Japanese Town and the award fixed as aforesaid amounted to \$40.00. Your account has, therefore, been credited with this sum.

Yours truly,

R. G. Bell

Dear Sir & Madam:

We have now heard from Mr. Matt Brown at Cumberland that all your things have either been shipped to you, moved to storage or in the case of the less valuable items, left in the home. Mr. Brown reports, however, that he cannot find the three wool comforters or the carpenter and garden tools declared by Mrs. Kiyono. Have you since disposed of these?

Mr. Brown also reports that the value of \$60.00 placed on your kitchen stove is too high and that \$20.00 would be nearer the mark.

Yours truly,
