RE: The Canadian Collieries (Damodar), Limited.

Herewith refers to those Japanese formerly employed by the Collieries and who have houses erected upon this land. None of them ~~has~~ made any claim to an interest in the land and the houses may be regarded as personal property. The Collieries as per their letter of March 2nd, 1943, in file G/92, assert their ownership, and so far as this department is concerned in this circumstance, it does not seem that anything more has to be done. The interests of the declarants in the houses however, will require some attention, and you may desire to refer these interests to another department. If not, I shall be pleased to have your comment as to what action should be taken.

Dear Sir:-

In making declaration of your property to the Custodian you claimed to be the owner of a house built by you on land owned by the Canadian Galleries Limited at Cumberland, B.C. We have been informed by the Canadian Galleries that you were permitted to build upon this land and occupy the premises only while you remained an employee of the Company, and that the building is now the property of the Company.

While we desire to protect your ownership of the house, we shall have to accept the statement of the Company unless you can submit some evidence of your right to retain ownership of the house. I suggest that, to this end, you give me information on the following questions:

1. When you built this house did you get a lease of the land from the Company, or did you belong to an association which was granted a lease of a larger area of land of which the land on which your house is situated is a part, and, if so, can you give me the name and address of the party holding this lease? Any lease of the land occupied should be sent to me for inspection.
2. Have you any letter or other document from the Company giving you the right to occupy the land and if so, please send such letter or document to me.
3. Did you occupy this land only by verbal permission of the Company?
4. Are you supposed to pay rent to the Company, and do you propose to continue paying it?
5. Was there any understanding between you and the Company that the house should become the property of the Company if and when you quit working for the Company?

If you still consider yourself owner of this house it is important that you should write me at once giving such information as you may be able in substantiation of your claim.

Yours truly,

IM:EB
