Dear Sir:

Re: R.R. 1, Whonnock, B. C.
Lot 2 of the east half of the south east quarter of Section 22, Township 12, Map 3151, District of New Westminster, C. of T. 50359.

You have previously been advised that a sale of lands in rural districts was entered into between this Department and The Director, The Veterans' Land Act.

Due to the size of this transaction, the arrangements for same and the completion of the transfer have taken a considerable time. Negotations were started in the early part of 1943 and were based upon valuations made by qualified appraisers and on the basis of a sale effective as at January 1st of that year. This means that the 1943 revenues from the property were for the benefit of the purchasers, but that taxes, fire insurance and other operating charges were assumed by them.

The following is a statement showing the sale price and adjustments:

Sale price of above described property		$ 1950.00
Add:		
Unexpired insurance premium as at January 1st, 1943		12.02
		$ 1962.02

Registration fee		
Encumbrance—Principal		
—Interest		
		3.00
Net proceeds of sale		$ 1959.02

This amount has been placed to your credit and a statement of your account is endorsed hereon showing the present balance on our books. A small amount for legal fees in connection with the conveyance to the Veterans' land will be charged later.

Yours truly,
F. G. SHEARS,
Director.

Mr. Keiichi IKEDA,
Reg. No. 13620,
Lot 56, Henderson Highway,
North Kildonan, Manitoba.

Dear Sir:

We wish to acknowledge your letter of the 26th November, in which you requested your funds, and we therefore at this time, take the opportunity of giving you a brief summary of our administration of your affairs.

On the 30th April, 1942, you registered with the Custodian and at that time declared you were the owner of real property at Whonnock, which upon registration automatically became vested in the Custodian. You leased your property prior to evacuation for nine months from the 1st May, 1942, for a consideration of $500.00. $250.00 of this amount was collected by you at the time and the remainder, given you in the form of a $250.00 post-dated cheque was deposited with the Custodian for collection. The Custodian collected these funds and credited them to your account at this office.

No further revenue from your property accrued to your credit at this office, as in accordance with the Canadian Government's policy of liquidation it was sold to the Director of Veterans' Land Act, and the proceeds of which were credited to your account. Full details of the property sale were sent to you on the 22nd May, 1944. However since that time, legal fees amounting to $15.00, being expenses incurred in connection with the conveyance of your property, have been charged to your account. On the 18th December, 1944, you wrote to this office taking exception to the sale price of your property and your letter is placed on your file for future reference.

You declared a number of household effects and farm implements to be left on your property for the use of the tenant. These were inventoried by our fieldmen and when preparing them for liquidation found them to be well accounted for. All saleable articles were removed to public auction and sold under the Government's policy of liquidation, and the net proceeds derived from their sale amounting to $48.36, were credited to your account.

When making your declaration to the Custodian you declared a horse, a goat, and 1000 chickens, but stated that you expected to sell them. This you apparently did before your evacuation, as they were not inventoried by our fieldmen upon making their investigation.

You had a small credit balance at the Maple Ridge Co-operative Exchange of 54¢, and this sum was forwarded to this office and placed to your credit here.

The B.C. Electric Railway paid $3.51 in to this office to your credit, being a refund of your electric light security deposit.

You declared a share interest in the Maple Ridge Co-operative Exchange, and according to their records your interest is $97.00. This Co-operative is at the present time being liquidated under instructions from the Custodian, and upon completion of its liquidation your account here will be credited with your proportion of the net proceeds.

You declared yourself to be the holder of Victory bonds, War Savings Certificates and also a Bank account at Haney, but these were not brought under control by the Custodian.

Although you declared no Life Insurance to this office, on the 27th November, 1943, you requested the payment of a premium on your North American Life Insurance policy, and $44.98 was subsequently paid from your account here at that time, and a premium of $44.60 was paid on the 20th November, 1944.

Attached hereto is a statement of your account at this office since the date you last received one, and we have attached a Custodian cheque in the amount of $1995.89, representing the credit balance as shown.

It would appear that we have satisfactorily accounted for all the property of every kind left by you in the Protected Area which vested in the Custodian, except for the exception you have taken regarding your property sale price, and we would appreciate your confirmation to this effect and your acknowledgment of the enclosed cheque. For your convenience in replying we have enclosed a stamped addressed envelope.

Yours truly,

W.E. Anderson,
Administration Department.

Re: IKEDA, Keiichi - Reg. No. 13620

CHATTELS: The above Japanese declared an itemized quantity of chattels left on the property and included same in the lease for use of the tenant. They were inventoried by our representatives on December 2nd, 1942 and they made note at that time that the tenant was taking an interest in the property. In view of this interest, when the chattels were removed to auction they were very well accounted for but of low value. The net sum received from their sale was $48.36 and this sum was credited to the Japanese account here. (Details are shown on the attached Chattel Schedule.)

LIVESTOCK: The above Japanese declared on April 30th, 1942 1,000 chickens, 1 horse and a goat but stated that he expected to sell them. They were apparently sold prior to his evacuation for cash as they were not on the property when the property was investigated by our fieldmen.

ACCOUNTS RECEIVABLE: When the above Japanese leased his property part of the consideration was collected by him at the time and the balance was paid in the form of a Pacific Co-operative Union post-dated cheque. $2.50 This cheque was brought into this office by him and the Custodian effected collection of it on January 8th, 1943 and credited the funds to his account.
The Maple Ridge Co-operative paid 54¢ into this office being credit balance on their ledger for IKEDA.
The B.C.Electric Rly. Co. paid $3.51 into this office to the credit of the Japanese being refund of his electric light Security Deposit.

BONDS & INVESTMENTS: The above Japanese declared $100.00 Victory Bonds and $100.00 War Savings Certificates in his possession. These were not brought under control of the Custodian.
IKEDA also declared a $100.00 share interest in the Maple Ridge Co-operative exchange. According to the records of the Co-operative however his interest is $97.00. This Co-operative is being liquidated by P.S.Ross & Sons and upon completion of its liquidation he will be entitled to his proportion of the net proceeds.

BANK ACCOUNT: The above Japanese declared a Bank Account at Haney, B.C. This was not brought under control of the Custodian.

LIFE INSURANCE: The above Japanese declared no Life Insurance but however on November 27th, 1943 he requested that we pay the premium of $44.98 on his North American Life Insurance policy as he also did on Nov.20/44 for $44.60. These premiums were paid from this office.
