Office of the Custodian  
Japanese Evacuation Section  
Vancouver, B. C.

Dear Sirs:

I had a call a few days ago from a party named  
Margaret Neave, stating that she had some Japanese effects  
at her home, which she was storing for certain evacuated  
Japanese.

In investigating same, I found certain articles  
stored at her home, and am attaching a list of same with her  
acknowledgement.

She did not know the former address of either  
of these two parties, and the names do not correspond with  
any which I have on my lists.

Any instructions which you may have relating  
to these will have my prompt attention.

Yours truly,
