PERSONAL PROPERTY SUMMARY

File No. 7829 July 10, 1946

Re: Kamekichi TSUJIUCHI #10268

This man signed a declaration to the Custodian on May 6, 1942. He was interned on June 11, 1942, and was released from internment on September 21, 1943.

In his declaration he reported a large quantity of fishing gear, household and personal effects in the care of Albion Cannery, Ucluelet. These are dealt with in detail on the Chattel Summary and Schedule. Quite a number of the items declared were not found in the house when Mr. Hinton inventoried the contents in June, 1942. Nothing appears to have been shipped to him from Ucluelet. His account has been credited with the sum of $26.00 as net proceeds of goods identified as his property. Some of the fishing gear and boat equipment found in his house was turned over to Naval Service. An 8-spool gurdy found in the house of Iwakazu KAKIUCHI and turned over to Naval Service was reported by KAKIUCHI to be the property of TSUJIUCHI. TSUJIUCHI has indicated that he will claim compensation for the loss of this gurdy, which does not appear to have been placed on his fishing vessel.

The trunkhe placed in Bowman Storage was shipped to him. The remainder of the goods in storage are still on hand, and on April 15, 1946, there were unpaid storage charges of $33.00 on these. File shows payment to December 27, 1943.

He reported a 4 room bungalow on land owned by Albion Cannery. The Nootka-Bamfield Packing Co. produced the lease which shows that TSUJIUCHI had no equity in the building. See lease filed behind June 1, 1943.

The sum of $16.36 was credited to his account from redemption of two War Savings Certificates on June 10, 1943.

The sum of $467.26 was credited to the account of this man as an interned member of the Ucluelet Fishermen's Co-operative Association from the sale of the M.V."Loyal 1" and "Loyal 2". An additional $12.01 was credited Aug.9/43 in this connection.

The account of this man was credited with the sum of $378.94 from the sale of his vessel "White Lily", sold by the Custodian.

The account of this man was credited with the sum of $12.25 in settlement of claim for refund of expenses incurred at the time of the impounding of his vessel.

TSUJIUCHI sent to this office a total of $14.90 to cover storage and shipping on goods left with Bowman Storage. His account was credited with $912.82 as net proceeds of sales of his goods and payment of claim. From this there was remitted to him $885.58, and the sum of 70 cents paid to Bowman Storage, leaving in his account at present a balance of $26.54.

This summary is certified to be in accordance with information on file.

CHATTEL SUMMARY

July 10, 1946

File No. 7829

Re: Kamekichi TSUJIUCHI #10368

This man signed a declaration to the Custodian on May 6, 1942. He was interned on June 11, 1942, and was released from internment on September 21, 1943.

In his declaration he reported a large quantity of goods left with Albion Cannery, Ucluelet. On June 18, 1942, Mr. Harold Hinton sent in report of goods found in the house formerly occupied by this man.

Of the fishing and boat gear declared the following do not show on the inventory: 1 galvanized anchor, 1 storage battery, 2 oil drums. The trolling lines and brass blocks may be covered by the fishing gear and lines turned over to Naval Service or sold at auction. The row-boat, pump, 500 ft. shiplap, 8 pcs. 2x4 were not inventoried by Mr. Hinton.

None of the tools declared were on the inventory, although a peevey and a quantity of tools were sold.

The half ton of coal was not inventoried.

The 2 tables and carpets declared were not inventoried.

The two stoves and 3 of the chairs declared were found in the house but as these were of no value were not removed from the house.

Of the goods in storage at Bowman's Storage, Vancouver, B. C. the trunk was shipped to TSUJIUCHI in July, 1943. A bed-frame and spring, a couch and a box are still in storage. On April 15, 1946, the storage charges unpaid amounted to $33.00, probably more than the value of the goods.

On July 8, 1943, the account of this man was credited with $13.55 from the sale of the propeller, a box of lead line, rubber mats, sack of fishing gear, a tub, belt and hose.

On July 25, 1944, the account of this man was credited with $14.29, net proceeds from auction sale of 2 chairs, gas-stove, tank, can, lamp, miscellaneous, trunk, peevey, tools, mattress, gas lamp and 2 stools with cushions.

On October 25, 1943, it was reported to this file that the 8-spool gurdy found in the house of Iwakazu KAKIUCHI was the property of Kamekichi TSUJIUCHI. This gurdy was turned over to Naval Service. There is no indication that this gurdy was placed on the fishing vessle formerly owned by TSUJIUCHI.

Articles removed to storage in June, 1942, but not accounted for are: 2 lengths of galvanized stove pipe, 1 7-gal. crock, 2 oil drums. Some of these may be among the miscellaneous articles sold. In any case the value of these would not be great.

MEMORANDUM

File No. 7829 April 15th, 1946.

TO: TheFile

FROM: Mr. G. B. Spain

RE: Kanekichi TSUJIUCHI, Reg.No.10368

During the course of an investigation to determine what goods belonging to Japanese are held in public warehouses in Vancouver, Bowman Storage Ltd. revealed that the following goods belonging to the above are stored in their warehouse:

1 Couch
1 Bed frame
1 Bed spring
1 Box

Storage charges overdue on this amount to $33.00 and TSUJIUCHI states that he cannot pay this account.

In my opinion it is doubtful if half the storage charges would be recovered from the sale of these articles.

Dear sir:-

I'm in receipt of the extract of my account and the cheque of one hundred dollars ($100.00)

Again I would want you to send me the sum of one hundred dollars ($100.00) from my balance carried forward.

I also I would like to ask you why you sold my eight spools fishing gears so cheap without my consent, which I've paid over $170.00 for them when in time of buying and besides it cost me about $100.00 for setting them gears. According to the payment of the charges on my fishing Vessel "White Lily" which the government forced us to take them, so for my opinion I believe that the government have duty to take care of my boat, so I don't think I have to pay for the charges listed in the extract, and I can't for it.

About the debt to Mr. Maekawa, I've already paid him the money on June 15th, 1942.

Slocan, B. C.

Dear Sir:-

On receipt of your letter of October 4th, we made further enquiries from our Internee Department since the premises formerly occupied by Iwakazu Kakiuchi come under their control as he is interned. Iwakazu Kakiuchi advises that the six-spool gurdie belongs to you and the eight-spool gurdie to Mr. Kamekichi Tsujiuchi. Both of these gurdies were delivered to the Navy since it was considered that they were a necessary part of the equipment of fishing craft taken over by the latter. We know from our files that you are not satisfied with the price received for your fishing vessel and you will doubtless be taking up this matter after the war, at which time you could also mention the question of your gurdie.

Yours truly,

Dear Sir:

With reference to Supplementary Assessment Folios 57 - 61 inclusive, of which Notices were mailed to you on July 16th last, and having to deal with improvements consisting of houses which at the time of Assessment were believed to be owned by the various Japanese whose names are shown on each Assessment, viz, Kamekaichi Tsuiichi, Ichiji Miyashita, Iwakichi Yoshida, Shigeo Nishi and Kairuroku Shimizu.

Copies of these Notices of Assessment were likewise mailed to the Banfield Packing Company Ltd., 501 Yorkshire Building, Vancouver, B. C. on whose land the houses are situate. As a result of these Notices having been received by the Company we have been notified by Messrs. Lawson, Clark & Lundell, Barristers & Solicitors, Standard Bank Building, Vancouver, B. C., who have advised, on behalf of the Company, that the dwelling houses in question situate on the Company's land and the latter having been rented to the Japanese for which the leases are stated to clearly indicate that the buildings are the property of the Company and that the Japanese were in occupancy as tenants during their term of tenure.

In view of the foregoing we have cancelled July Supplementary Assessment Folios 57 - 61 inclusive and reassessed the houses in our August Supplementary Roll of which Notices of Assessment have been mailed to the Company direct and we have received payment of the taxes.

ATTENTION MR. R. P. ALEXANDER

Dear Sirs:

Our clients, Banfield Packing Company Limited, have referred to us three letters dated the 8th May and the 12th May, 1942, addressed respectively to Ucluelet Cannery, Ucluelet, B. C., Banfield Cannery, Ucluelet, B. C., and Albion Cannery Company, Ucluelet, B. C., regarding the ownership of houses formerly occupied by certain Japanese.

We believe that these inquiries are directed to Banfield Packing Company Limited which owns and operates a cannery at Ucluelet, B. C., and which has had dealings with the persons mentioned in your letters.

We are instructed to advise you that the houses in question are not the property of the Japanese but the property of Banfield Packing Company Limited. In each of the three cases mentioned, the Japanese were tenants of the houses under written leases given to them by Banfield Packing Company Limited which clearly indicated that the houses were the express subject matter

of the demises.

We enclose herewith copies of the leases covering the houses in question, namely:

1. Lease dated the 1st June, 1938, of House No. 1 to Seichi Nakata.

2. Lease dated the 1st June, 1938, of House No. 8 to Yoshida Iwakichi.

3. Lease dated the 1st June, 1938, of House No. 9 to Kamekichi Tsujiuchi.

If there is any further information concerning these matters that you desire, will you kindly let us know and we shall endeavour to obtain it for you.

However I would like to state that the members of the Association in this camp numbers eleven and not twelve as mentioned in that letter and that they are as follows:

Dear Sir:

Re- P/W A-171, Tsujuichi;
your file 909 & 224

We acknowledge your letter of the 16th instant and wish to advise you that the Resolution which you mention in the last paragraph on the first page of your letter, was passed at the Meeting as were all the other Resolutions contained in the Notice, copy of which we forwarded to you.

The other Resolution which we noted in our letter to Mr. Tsujuichi was passed in addition to the Resolutions which we prepared in the Notice, but that would and could not have any reference to the monies payable to the Association in respect of the sale of the fish packers Loyal No. 1 and Loyal No. 2. Those monies are earmarked for the members should the Committee authorize the advancing of the same by way of loan pursuant to the Resolutions.

The additional Resolution which you have noted, does not as you know, add anything whatsoever to the legal powers of the signing Officers. The signing Officers of any Joint Stock Company or Co-Operative Association have, and always did have the power to draw such monies as they might see fit but they must account to the members or the share-holders as the case may be. The Association

has other monies apart from that to be received from the sale of the Vessels and those monies are in the Bank Account here. There is nothing to prevent Japanese persons drawing on a Bank Account in Vancouver insofar as we know, and the Resolution as we pointed out, adds nothing to the existing situation. The fact that the members passed such a Resolution would seem to confirm that whatever the Association is doing is being done in the utmost good faith.

To make sure that the matters at the meeting should be conducted properly, the members had in attendance a Mr. Graham a Justice of the Peace, and it is our opinion that the members attending the meeting, transacted the matters there very satisfactorily in view of the fact that they had no legal advisor in attendance. We wish to impress upon you however, that the Resolution you have questioned, could not affect the monies from the sale of the Packers as the disposition of that money has been provided for in accordance with our arrangement with you.

If there is any further information which you would like, please do not hesitate to call upon us.

Yours truly,

NORRIS & MacLENNAN

Gentlemen: Re: P/W A-172, TSUJUICHI, Kamekichi and Uchuelet Fishermen's Co-Operative Association.

We have your letter of the 15th instant enclosing copy of communication addressed to the Japanese Fishing Vessels Disposal Committee as well as the letter to Mr. Tsujuichi and in accord with your request, this letter has been forwarded to the internee.

It is noted that you are advising him that "a further resolution was carried unanimously that the President and Vice President be authorized in the event of an emergency arising, to draw any necessary amounts from the Bank Account of the Association as might be required to meet such emergencies."

In the Notice calling the General Meeting, the following resolution was to be submitted:

"That Kyuroku Shimizu, Risuke Hamada and Shinkichi Sakai, members of the Association, all presently of Slocan, in the Province of British Columbia, be, and they are hereby appointed a Committee to receive requests for loans or advances to members of the Association who are not interned as aforesaid, and if the majority of such Committee so determine and advise the signing officers in writing, then the signing officers of the Association be, and they are hereby authorized to pay monies of the Association to such members by way of loan up to the amount of, but not exceeding, $480.00 to each such member, with or without security as the said Committee shall determine."

It was on this understanding that Mr. G. W. McPherson approved of the balance, after payment of internees' shares, remaining with the Association. The resolution as outlined in your communication is at varience with the notice and confers powers upon the President and Vice President to withdraw "any necessary amounts".

We would like to have some explanation from you in regard to this by return of mail.

Dear Sir:

Your communication of January 12th, 1943, to Mr. Tomizo Yamanako at Lemon Creek, Slocan, B. C. has been referred to us as solicitors for the Association for attention.

We wish to inform you on behalf of the Association that the meeting to take place on the 21st of January at Slocan could not take place on that date due to bad weather conditions and was adjourned until the 28th of January at the same time and place. On that occasion there were eight members present being Messrs. Yamanaka, Hamade, S. Sakai, Shimizu, Hakoda, T. Shimizu, Yoshida and Tamai, and in addition there were blank Proxies from absent members. The meeting carried unanimously all the Resolutions contained in the Notice. The Officers elected were:

President: Mr. Yamanaka
Vice-Pres: Mr. Hakoda
Secretary: Mr. T. Ide; and
Treasurer: S. Sakai

In addition it was unanimously resolved that the Officers for 1943 be the same as for 1942. In view of the fact that a different President had to be appointed, we presume that that Resolution which we have just mentioned refers to the Directors.

A further Resolution was carried unamimously that the President and Vice-President be authorized in the event of an emergency arising, to draw any necessary amounts from the Bank Account of the Association as might be required to meet such emergencies.

We have now forwarded to the Custodian's Office the Bills of Sale and have requested a cheque from the Dominion Government in favor of the Association for $18,888.24, and a further cheque in favor of the Custodian of Enemy Property in the sum of $5811.76 being twelve fifty-firsts of the total selling price of $24,700.00 which is the share given to the Custodian for safe-keeping for the interned members.

If there is any further information which you wish in this connection, we would be very pleased to advise.

Sir;-

Regarding the Special General Meeting of the Uclulet Fishermen's Co-operative Association dealing with the Loyal No. 1 and No. 2 which is to be held in the City of Slocan on the 21st of this month.

It is hardly necessary for me to say that we, the members of the said Association interned at this camp, are unable to attend the meeting but nevertheless we are in receipt of the notice of the meeting from the Custodian.

For this reason, but perhaps you would have notified me without my asking, I would greatly appreciate it, therefore, if you will kindly inform me as ~~them~~ to the result of the meeting as soon as it takes place.

With kindest regard to the members of our Association,

I remain,

Yours truly,

K. Tsujiuchi

We are in receipt of a letter from the Camp as follows:-

> "Several months ago, I believe it was in June of this year, I had entrusted my baggages, five in all, in your custody.
>
> At that time I deposited payment for six months in advance and what I would like to know at present is the financial state of my baggages; whether I am behind in my payment or not, also whether all my baggages are still in good order.
>
> I would appreciate it greatly, therefore, if you would kindly notify me as to the state of things regarding my baggages as soon as possible."

Would you kindly check into this and let me have a report at your convenience.

Dear Sirs:

RE: P/W A-171, TSUJIUCHI, Kamekichi.

I have just received a letter from the Camp Commandant dated November 8th with reference to the above noted Internee, which reads in part as follows:

" The above have been presented to the above internee, and he acknowledges contents, also signed the form of resolution of Directors. - He states that he and nine other internees in this Camp have agreed to the conditions of Notice of Pepcial General Meeting, and he has notified this to Mr. Tomizo Yamanaka, one of the Directors at Slocan, B.C. by wire, (copy enclosed) - He wants the notices of Special General Meeting including forms of Proxy of internee shareholders, to be sent to them through the Custodian to avoid delay.

As regards the Secretary, he states that he prefers Mr. Katsuji HAMANISHI of Alpine Lodge, Christina Lake, B.C., (if it is not too difficult for him geographically) to accept and handle the business of the Association."

Copies of correspondence mentioned, namely, Resolution of Directors of Ucluelet Fishermen's Co-op. Assoc., and wire dated November 5th are enclosed herewith. Will you kindly take the necessary steps in this matter.

Port Albion:

Tsujiuchi, Kamekichi	1 house only	- value	$100.
Miyashita, Ichiji	1 " "	- "	100.
Yoshida, Iwakichi	1 " "	- "	100.
Nishi, Shigeo	1 " "	- "	50.
Shimizu, Kiuroku	2 " "	- "	1,000.

With the exception of one of the last mentioned houses owned by K. Shimizu, these are all merely slum shanties. They are situated on the property of the Nootka-Banfield Co. and according to leases shown to the under-signed by the Company, these houses are all the property of the Company, with the arrangement that when left vacant the actual houses would revert to the Company. One house owned by K. Shimizu, to the value of $900. was built this year, with lumber supplied by the Nootka-banfield company; all these above mentioned tenants paid to the Nootka-Banfield Co. sums ranging from $1.50 to $5.00 a month rental monies. The timekeeper informed me that Mr. Rosenberg, General Manager, Vancouver, is at present making some arrangement whereby the company will reimburse each Japanese for these houses.

Hamade, Risuke - owns the following described house at Port Alberni; house and property situated on Lot one, Section 18, Plan 4957, Clayoquot Land District, Alberni Assessment District. Value including furnishings, $1500. At present being rented through a Mrs. H. Whipp, resident Ucluelet, for $24. per month. Mrs. Whipp receives a commission of 15%. Dear Mr. Hamanishi:

I have received your letter of August 31st, to-day in connection with the sale of two fish carring boats of Ucluelet Fishing Co-operative Association, and beg to state that I have discussed the matter over with members of our Association who are in this camp, and we all agreed to dispose Royal No. 1 and Royal No. 2 at the prices mentioned in your letter. In reaching to this decision to sell the boats we found that this is the only way that we could take under the circumstances.

I wish you will make an arrangement to deposit the proceeds to the Royal Bank of Canada, Main & Hastings Sts. Branch, Vancouver, B. C.

If you need my signature in the Bills of Sale I hope you will send them by"Special Delivery Air Mail", to save time, because your letter came to my hand over a period of month since you have mailed it.

Dear Sir:

With reference to Supplementary Assessment Folios 57 - 61 inclusive, of which Notices were mailed to you on July 16th last, and having to deal with improvements consisting of houses which at the time of Assessment were believed to be owned by the various Japanese whose names are shown on each Assessment, viz, Kamekaichi Tsujichi, Ichiji Miyashita, Iwakichi Yoshida, Shigeo Nishi and Kairuroku Shimizu.

5 25 Sept 42

Copies of these Notices of Assessment were likewise mailed to the Bamfield Packing Company Ltd., 501 Yorkshire Building, Vancouver, B. C. on whose land the houses are situate. As a result of these Notices having been received by the Company we have been notified by Messrs. Lawson, Clark & Lundell, Barristers & Solicitors, Standard Bank Building, Vancouver, B. In view of the foregoing we have cancelled July Supplementary Assessment Folios 57 - 61 inclusive and reassessed the houses in our August Supplementary Roll of which Notices of Assessment have been mailed to the Company direct and we have received payment of the taxes.

Re: MITSUI, Toichi—Reg. #12155
HAKATA, Soichi—Reg. #12046

Please refer to our letter of June 20th to the first of the above, copy of which was sent to you and answer to which has now been received. We are still not quite satisfied as a supplementary report from our agent at Squalet makes it appear that some of the property declared by Toichi Mitsui may belong to others. Besides the two names given at the head of this letter, possible owners are Kasekichi Tsujiuchi, Reg. #10368 and Shigeharu Uyeyama, Reg. #03145.

Toichi Mitsui and Soichi Hakata are still at the Park and we should much appreciate your having them go through our enclosure and mark the items that belong to them. Kasekichi Tsujiuchi is being held for internment and we do not know if it would be possible to contact him through the police and have him identify his property at the same time as the two others.

We should be much obliged if you would do what you can in this respect and then return us our enclosure for reference to Shigeharu Uyeyama, now at Bridge River.

Finally, would you kindly advise Toichi Mitsui that we believe the lumber shown on the attached inventory to be the property of Shigeharu Uyeyama. It was in danger of being washed away by the tide and was exposed to the weather, so we have disposed of it.

Attention Mr. C. L. Drewry.

Dear Sir:

re: Kamekichi Tsujiuchi. Registration No. 10363.
My File No. 150.

In accordance with your instructions I have investigated and taken control of the property of the above man as recorded on his registration form as follows:

Real Property:

"Property at Ucluelet, B. C., owned by Albion Cannery at Ucluelet, B. C. Description unknown.

4 roomed bungalow on above property owned by Kamekichi Tsujiuchi."

Personal Property:

"See list attached."

In connection therewith I have to report as follows:

Location:

At Port Albion, B. C., which is about half a mile across the Inlet from the village of Ucluelet, B. C., on the West Coast of Vancouver Island.

Real Property:

Land and Buildings:

Upon enquiries at the office of the Nootka-Banfield Co. Ltd. at Port Albion, Ucluelet, the accountant of the Company informed me that the house this man occupied is situated on land belonging to the Company. Copies of the leases between the Company and the Japanese are on file at the Head Office of the Company, 525 Seymour Street, Vancouver, B. C. An examination of the lease

Real Property:

Land and Buildings: (continued)

may show that this man has no equity in the house in which he lived.

Personal Property:

You appear to have sent two declaration forms for the same person, one is dated 2nd April 1942 and the other 6th May 1942. I would refer you to my report in respect to the declaration dated 2nd April 1942 (My File No. 80).

The declaration form dated 6th May 1942 (My File No. 150) did not reach me until after my return from the West Coast so I did not have an opportunity of discussing with the Nootka-Banfield Co. Ltd. at Port Albion whether or not they were holding goods in storage for other Japanese. I have written to the Company to enquire but have not received a reply. It is my opinion that the articles mentioned in the declaration dated 6th May 1942 are stored elsewhere.

Recommendations:

I recommend:

1. That the declarant be asked to state whether or not any of the personal effects declared were stored at "Native Island" on property belonging to Toichi Nitsui.

2. That Toichi Nitsui, Registration No. 12155, be asked to confirm the inventory attached to the report on his personal property, My File No. 28.

3. That the goods now in storage for Toichi Nitsui at Fraser's Bay, House No. 5, be held until the question of ownership is settled.

4. That the agent for Toichi Nitsui--Mr. R. Matterson of Ucluelet--be instructed accordingly.

Recommendations: (continued)

5. That the matter of the lease be referred to the Vancouver office of the Nootka-Banfield Co. Ltd. to determine whether the declarant has an equity in the building which he claims he owns.

Yours faithfully,

H.G. Hinton

16th June 1942.

Office of the Custodian,
506 Royal Bank Building,
VANCOUVER, B. C.

Attention Mr. C. L. Drewry.

Dear Sir:

re: Kamekichi Tsujiuchi. Registration No. 10368.
My File No. 80.

In accordance with your instructions I have investigated and taken control of the property of the above man as recorded on his registration form as follows:

Real Property:

"Small island in harbour of Ucluelet, B. C., a little over ten acres, don't know legal description. I own one-sixth interest for which I paid $400.00.

One 6-room frame house. Also a chicken house 25' x 100'. Another frame house don't know number of rooms. Sixteen piles driven for wharf to be built on."

Personal Property:

"Trawling gear worth about $100. 5 chairs. 2 camp stoves. $50. worth of anchors, rope and other fishing supplies. Located in my four-room cabin 16' x 22' which I built myself and is worth about $500. located on Port Albion Cannery Co., Ucluelet, B. C. land."

In connection therewith I have to report as follows:

Location:

I have not been able to trace any property of the description given in the registration form "Small Island in harbour of Ucluelet, B. C., a little over ten acres".

Location: (continued)

The house described as "One 6 room frame house", also 100 feet, may possibly be on an island known as "Native Island", which is about one mile from the Ucluelet Wharf towards the entrance to the Harbour. I have no knowledge of "another frame house". (A complete report on properties on "Native Island" is given in my report on Toichi Nitsui, Registration No. 12155, My File No. 28.)

Personal Property:

Under the heading of Personal Property in the registration form I note that the declarant claims that personal effects were located in a four-roomed cabin located on land belonging to the Cannery at Port Albion. This Japanese has apparently no equity in the building as the land was leased and the lease has expired. The articles found in this house were removed by me to storage to House No. 5, Fraser's Bay, and the Company is in possession of the building. An inventory of the contents of the house is attached. Copies of the lease between the Company and the Japanese may be inspected at the Vancouver Office of the Company located at 525 Seymour Street. The Company at Ucluelet advise that the lease rental was paid in full to date.

Insurance:

The whole of the contents in storage at House No. 5, Fraser's Bay are insured, so that in the event of a fire loss this owner would benefit on a pro rata basis according to the value of articles stored.

Liabilities:

None are recorded.

Special Action Taken:

As the lease of the property had expired and the owners of the land required the use of the building and the land, it was necessary for me to remove the contents of the house to storage as mentioned above. The contents had to be packed on to a scow and towed across to Fraser's Bay.

Personal Effects Moved to Storage at Fraser's Bay:

As shown on the attached inventory.

Fishing Boat Equipment Delivered to the Navy from Storage:

As indicated on the attached inventory.

Recommendations:

I recommend:

1. That Ronald Matterson be appointed the agent for the Custodian's office.

2. That the declarant be asked to give specific information regarding the "Real Property" so that a supplementary report may be prepared if necessary.

3. That the Nootka-Banfield Co. Ltd. office in Vancouver be asked to confirm the information relative to whether or not the Japanese has any equity in the building. I have been in communication with them in this respect but they have not replied.

Yours faithfully,

H. G. Hinton

The properties owned by them. Iam enclosing herewith statement showing the names of Japanese with their relative ownership of land and houses together with the values.

3. The names of two Japanese mentioned in your letter of the 13th instant, Kamekichi Tsujuichi and Seiichi Nakata, have houses believed to be on property owned by the Banfield Packing Company, the location of their cannery on Parcel "A" of Section 83. In this connection I might say Kamekichi Tsujuichi has a two-room house in Shimizu Bay and valued at $500.00. We have no information with regard to the house owned by Seiichi Nakata although there are four other houses in addition to that owned by Tsujuichi Near the cannery.

We note that you have written the Albion Cannery Company with respect to the occupation of land by the two Japanese mentioned and for your information I might say that the name of the firm operating the cannery is the Banfield Packing Company with their Head Office at 501 Yorkshire Building, Vancouver, B.C., and the cannery itself is located at Port Albion just across the Ucluelet Inlet from the township of Ucluelet, and Shimizu Bay is the location of houses owned by Japanese, five in all.

We have a list showing the Japanese who are owners of houses at Frasers Bay, Leeches Bay and Spring Cove in addition to Shimizu Bay and Hakoda Bay and if it is your desire that we furnish you with a complete list showing the values of houses and the names of the owners we will gladly send you a copy on request of the same.

Yours truly,

Provincial Assessor.

Attention Mr. Hinton

Dear Sirs:

Re: Saichiro Maekawa

Replying to your letter of the 17th ultimo regarding the debt of Kamekichi Tsujiuchi, I have consulted the registration form of Saichiro Maekawa but find no reference to this. According to our registration form, however, the debt is owing to K. Maekawa, his father, but his registration form does not make any reference to it either.

I have written to Mr. K. Maekawa in order to see if he will confirm it.

Yours truly,

R. P. Alexander
Assistant Manager

A small island in the Ucluelet Harbour of about 10 acres in which Kamekichi Tsujiuchi has a sixth interest. Upon checking over our Map we are unable to locate a small island referred to in which the Japanese has an interest, unless it be that the person who claims an interest in the island ner Ucluelet has entered into an arrangement with the owner of Lot 543, who, incidentally, is a Japanese, and that the island consists of fifty-two acres, and better known as Native Island, and for which Certificate of Title No.128104-I is in the name of Toichi Nitsui. The assessed value of Land is $1350.00 and Improvements $350.00, Land Tax $17.00, School Tax $10.52, t tal $27.52 and paid on September 15, 1942.

MEMO FOR FILE

Extract from letter from W. Harry Boothroyd, Government Agent, Alberni, B.C. dated Apr. 16th,1942 in answer to our letter of the 13th April

A small island in the Ucluelet Harbour of about ten acres in which KAMEKICHI TSUJIUCHI has a sixth interest. Upon checking over our Map we are unable to locate a small island referred to in which the Japanese has an interest, unless it be, that the person who claims an interest in the island near Ucluelet has entered into an arrangement with the owner of Lot 543, who, incidentally is a Japanese, and that the island consists of fifty-two acres, and better known as Native Island, and for which Certificate of Title, number 128104-I, is in the name of TOICHI MITSUI.

The assessed value of Land is $1350.00, and Improvements $350.00., Land Tax $17.00, School Tax $10.52, Total $27.52 and paid on September 15, 1942

I might say the 1942 taxes on the Nitsui and Tamai properties have been paid but the 1942 taxes on the Yamanaka property, amounting to $3.10 is outstanding on the assessment roll at this date. We have no record of Water charges due and unpaid on any of the above mentioned properties.
