RE: Ryo (Mrs. Shinki) TOKI

All chattels of this Japanese have been removed from storage and sold at public auction with the exception of any personal effects listed as being stored in the Buddhist Temple in New Westminster, or destroyed.

Apparently some effects had been stored at 828 Royal Avenue and these were recovered and sold at Auction No. 9.

It is possible that these latter chattels, however, may belong to another Japanese by the name of TOKI, and our reason for crediting them to file 7868 is owing to the reference on list "B", which gives no initials or file No., but might be construed as belonging to Ryo TOKI, as she lived next door to where the goods were stored.

This completes the file so far as chattels are concerned.

Dear Sirs:

In removing effects from the basement of 828 Royal Avenue, we used for identification purposes a list found there which gives the names of Nakamura Toki, Nishi, Yamaguchi and Akada.

We are rather at a loss in trying to check the items sold against this list, and reference to Jutaro Nakamura's file in particular, shows a great many more items credited than were mentioned.

On the list, the file also states "Nishiguchi looking after this". Can you tell us please whether you have any more information that will help us to clarify this situation, or shall we have to treat the list mentioned as the definite record?

Thanking you for your co-operation.

Dear Sir:

On removing chattels from the basement of 828 Royal

- 1 roll of linoleum (fairly good)
- several pieces of plate glass
- 3 crates of glass
- 1 bookcase

- 1 20 gal. crock
- 1 berry truck
- quantity of marine oil

Attention: Mr. Green.

Dear Sir:

Your letter of Sept. 24th received. You will find enclosed a number of lists of Japanese and a letter dated May 19th asking us to arrange for the moving and storage of these effects. In a great many cases all it was necessary for us to do was to check with the Japanese Committee on this end and locate where the different parcels of effects were stored.

As you will note by the pencil notations on the lists this entailed a great deal of work because very frequently we found the given address to be occupied by a different family or entirely vacant. We would then have to contact the Japanese Committee and endeavour to locate the missing furniture.

None of the articles belonging to these particular Japanese were moved by Belyea & Co. and for that reason you have no record of our work other than our invoice for services rendered and the enclosed lists which we would ask you to kindly return as they may be of value to us later on.

You will note, also, that on some of the lists appear the names of the Westminster Trust and McLeod's. The reason for this is that the three offices held a meeting and divided the lists so that they could be worked out with a minimum of expense.

We did not check all these chattels against the lists sent to us as we pointed out to your Messrs. Reed, Shears, and Alexander at a meeting held in your office that this was impossible and they agreed that it was not necessary. What we did was to determine that the articles were positively located and securely locked away.

Trusting this is the required information,

Yours very truly,

Dear Sirs:

Thank you very much for your letter dated

your claim due consideration.

So that our files may be complete we would

by Mrs. Toki as her place of residence.

Dear Sirs:

Thank you very much for your letter dated June 5th regarding rental balance of \$16. due you by Mr. S. Toki for rental on property at 836 Royal Avenue, New Westminster.

We have a record of the registration of a Mrs. Shinji Toki of 834 Royal Avenue, New Westminster, but we have no record of the registration of the Mr. S. Toki mentioned in your letter.

We are endeavouring to secure the registration of Mr. S. Toki and at that time your claim will receive consideration. You will of course understand that the Custodian's office does not guarantee payment of any claims, but if and when the assets of the Japanese individuals involved come under our control, and funds become available to enable us to do so, all justified claims are dealt with accordingly.

For the completion of our files, we shall appreciate your informing us of the period of time represented by the rental charge you mention of \$16.-

Yours truly,

Messrs. Coulthard, Sutherland & Co. Ltd.,

New Westminster, B. C.

Dear Sirs:-

In addition to the "JP" forms already assigned to you, we have a number of Japanese declarants who have registered furniture and personal belongings with the Custodian. As and when these Japanese are moved, their furniture will have to be stored either with friends or at the storage places which you have already arranged.

We have extracted particulars of this furniture and effects from the "JP" forms and are sending you a number of copies of these in duplicate, arranged by streets. Similiar extracts have been sent to Messrs. Westminster Trust Company, and Mr. Alfred McLeod.

Please keep in touch with the Japanese Committee man at your end and arrange for the safe-keeping or moving to storage of these effects as the owners are evacuated. As we have assigned these cases to you alphabetically by streets, there is no reason why you should not get together with our other two agents mentioned above and exchange information or extracts according to how they can most conveniently be handled.

We shall very shortly be sending a circular on the whole storage question which will give you further guidance in this matter. Briefly our ideas are that where property can be safely left in situ (e.g. in a boarded up house or in the care of white tenants) such property should not be moved to storage.

We shall have to consider the question of Fire Insurance before property is stored in the various New Westminster storage depots. Will you please arrange to keep an approximate valuation of property as it is stored, in order that we may later request you to take our Fire Insurance.

Yours truly,

R. P. Alexander
