Re: TAJIRI, Manzo  
1009 or 1011 Royal Ave.,  
New Westminster, B.C.

Although this file indicates that the subject Japanese has no property, identification of the chattels sold at auction was made through Mrs. M. Nakamura, Registration #00264, File #13683. Index cards show that she is a daughter of Tajiri, furthermore Mrs. Nakamura, while in New Westminster during May 1944, identified the goods while they were at our auction rooms in New Westminster.

See memo on file 13683 re removal of effects from rear 1011 Royal Avenue.

Re: Kenzo TAJIRI, Reg. #08162

Your memorandum dealing with the estate of Kenzo TAJIRI again revives a question that seems to me to be constantly cropping up in connection with the death of Japanese. Most of the time the first advice this office seems to get is either a claim for funeral expenses or a notice from the Insurance Company in connection with some policy. I think that there should be some definite arrangement between the B. C. Security Commission and the Administration Department, who are responsible for handling estates, by which immediately on the death of an Evacuee the Administration Department would be advised, thereby enabling them to have the file of the deceased brought up-to-date, and names inserted in any other file which might be effected, such as a relative receiving insurance as a beneficiary. This would permit the various departments concerned to deal with the case insofar as their interest was involved before any funds which might possibly be used to take care of the deceased's debts were paid out to Beneficiaries.

I have spoken to Mr. Wright about this and he is taking it up with the B. C. Security Commission; the only point there is to be sure that the Evacuee Department get advised when an Evacuee is effected.
