PERSONAL PROPERTY SUMMARY

May 30, 1946.

Re: Hise (Mrs. Komagoro) SEKIMURA, Reg. No. 11083

This woman signed a declaration to the Custodian on March 25, 1942. She was evacuated on May 30, 1942.

In her declaration she reported 8 pieces of household effects, a sewing machine and a double bed. This woman's husband, File No. 1026, reported household effects, foodstuffs and tools, some of which appear to be a duplicate of those reported by this woman. 4 boxes were shipped to Mrs. SEKIMURA at Hastings Park on May 2, 1942 and 3 or 4 boxes were shipped to SEKIMURA at Slocan as requested on release form of July 16, 1942. On October 13, 1942, SEKIMURA signed an inventory listing brass bedsteads as the only chattels belonging to him in the protected area. These bedsteads were sold at auction and the proceeds credited to his account. Later a stove was sold and the proceeds credited to his account.

This woman reported a \$2,500.00 life insurance policy. This did not come under the control of this office.

This file does not reveal any other property of any kind.

This summary is certified to be in
accordance with information on file.

Dear Sir & Madam:

Mr. Harris reports to us as follows:-

"We have a good deal of stuff still on hand at North Pacific such as bedsteads---boxes of household effects---gramophones and other odds and ends which we take this opportunity of reminding you are lying here entirely at the owner's risk. It would take an armed guard to prevent some pilfering and the rats maintain a steady attack on such things as mattresses for example. If it is possible to arrange for the shipment of this stuff to Vancouver we should appreciate it."

In your case we understand you have received everything from the "North Pacific" except some brass bedstead ends and if you require these shipped to you, please follow the instructions given in our enclosure.

Yours truly,

H. F. Green.

Dear Sir:

Re: Mr. and Mrs. Komagoro
SEKIMURA.

Further to recent correspondence we may have to trouble you a little in the next few months in an attempt to clear up Japanese effects at your end, and hope that you will be able to find time to deal with the questions that will arise.

You have on your list of Japanese effects only a set of brass bedstead ends for this Japanese, but they claim there should be two more boxes stored with you, one containing an oil stove and the other kitchen utensils. Perhaps, these would be amongst the unidentified effects and if you can find them, would you kindly let us know and we will request the Security Commission to apply for shipment. This will only apply to the boxes not to the bedstead which we shall probably have to move to storage.

Yours truly,

H. F. Green,
Protection Department.
