Mr. Donald Dunagy, K.C.,
Solicitor of the District
of North Vancouver,

Vancouver, B. C.

Dear Sir:

Re: W. 33 ft. of Lots 18 & 19 of South
110 acres, B.L. 725, Plan 2315.

We have yours of 19th September and note your contention that the above property should be transferred to the Municipality free of cost, as other owners are not asking any consideration.

We do not agree with this, even were the circumstances the same, which they are not. In the first place, if some owners are willing to cede a portion of their property free of cost, it does not follow that others should do the same. And the circumstances are not the same. The owners of the property in question have no other property in the neighborhood which might be improved by the opening of this street. It is the duty of the Custodian to protect the interests of these Japanese, and, though the Municipality may assess this property, the Custodian proposes to protect so far as possible this interest.

We think that it is only fair to the owners of this property that they should be compensated at a rate proportionate to the assessment of the remainder of lots 18 & 19, which proportion we have calculated to amount to \$57.00. If the Municipality is prepared to pay this as compensation, the Custodian is willing to recommend conveyance to the Municipality.

Yours truly,

Ian Macpherson,
Title Examiner.
