LIABILITY SUMMARY

File No. 3535

Kanejiro OHARA - Reg. No. 45853

The above Japanese declared, on his JP Form dated 14th May, 1942, that he owed a Personal Debt of $50.00 to the Royal Columbian Hospital, for treatment to his son, Yoshio OHARA.

However, later on the Royal Columbian Hospital sent in a bill against this man for $260.46 on account of which $78.50 had been paid, leaving a balance of $181.96 still owing. This account was verified by Kanejiro OHARA, July 15th, 1943. Besides this account there is a claim on file from H. Kishigushi Co. Ltd. for $111.60. This claim was also verified by Kanejiro OHARA, 5th July, 1943.

Although OHARA notified the Custodian that his debt to H. Kishigushi Co. Ltd. would be paid after the war, the Custodian negotiated with this Company, and also the Royal Columbian Hospital, for a discount in full settlement. The Royal Columbian Hospital agreed to accept the sum of $130.00 in full settlement of their account, and H. Kishigushi Co. agreed to accept a 17½% discount in full settlement of their account, thereby reducing it to $99.02. Both of these discounts were, therefore paid from OHARA's account at this office on the 2nd April, 1946.

This summary is certified to be in accordance with information on file.

Re: OBANA, Kamejiro - Reg.No.06853

CHATTELS: The above Japanese declared a quantity of chattels to be left on his property at White Rock. Details are shown on the attached schedule which also shows the details of inventories taken by our agents and our fieldmen. All saleable articles remaining on the property in May, 1944 were removed and sold by public auction on the 23rd of May, 1944 for the net sum of $23.86 which when received was credited to OBANA's account here.

Although the next door neighbour, Mr. Millar, volunteered to keep his eye on the property, it was not rented until December 15, 1942 having been vacant for six months and then it was only rented to Mr. Millar himself. As from June 15, 1943 the property was re-rented to another tenant and between that date and the time the chattels were removed the tenants changed several times unknown to this office. It is therefore assumed that the chattels shown as missing were either used by and taken by one of the previous tenants or were broken by them and thrown away.

Mr. Kamajiro OBARA,
Registration No. 00853,
Greenwood, B.C.

Dear Sir:

We have received your letter of the 22nd April, requesting the balance of your funds held at this office. We take this opportunity of giving you a brief summary of our administration of your affairs.

You registered with this office on the 11th May, 1942, and real property at White Rock which you declared, at that time became vested in the Custodian. This property remained vacant until the middle of December 1942, at which time a tenant was obtained who was willing to pay $8.00 per month rent. The sum of $4.00 representing 1/2 month's rent however, was all that accrued to your benefit at this office from the arrangement, as in accordance with the policy of liquidation decided upon by the Canadian Government, your property was sold as of the 1st January, 1943, to the Director of Veterans' Land Act. Full details of the property sale were sent to you on the 2nd May 1944, from which you will have acted that the net proceeds from the sale were credited to your account here. You will also have noted from this letter that legal fees in connection with the conveyance of your property were to be charged later. These legal fees amounted to $15.00, and were accordingly charged to your account here.

The only other assets declared by you to be left in the Protected Area were a quantity of household chattels. In accordance with the Canadian Government's liquidation policy, all saleable goods found on your property were removed and sold by public auction, from which the net sum of $23.86 was derived. This sum was credited to your account here. We were unable to locate a number of your chattels when removing them for sale, and it would appear that they had been stolen during the period when the property was vacant. Such thievery was quite common on unoccupied property, and although the local police were notified regarding this vandalism, they were unable to make recovery. Recovery of goods was made more difficult in view of the fact that detailed description could not be supplied.

When registering with this office you declared a debt owing to the Royal Columbian Hospital, and according to their account filed with this office the balance owing was $181.96. M. Nishiguchi Company Limited also filed a claim against you for $115.65. You verified both of these accounts as being correct in your letter of the 15th July, 1943. The Custodian on your behalf negotiated with your creditors, who both agreed to accept a 17½% discount in full settlement. Payments were therefore, made from your account here to the Royal Columbian Hospital in the amount of $150.00 and to M.

Nishiguchi Company Limited in the amount of $95.41, and were accepted in full payment of your debts to them.

Attached hereto is a statement of your account at this office, showing entries made since the date one was last sent to you. The attached cheque in the amount of $74.75 represents the balance of your funds held at this office as shown on the statement.

It would appear that we have accounted for all the property of every kind left by you in the Protected Area which vested in the Custodian, and in order that you may confirm this and acknowledge the cheque, we are enclosing a stamped addressed envelope for your convenience in replying.

Yours truly,

W.E. Anderson,

Re: Kenzilro OHARA - Reg. No. 06853

We wish to acknowledge your letter of the 25th March, relative to the claim of M. Nishiguchi Company Limited, against the above Japanese for $115.65. We have noted your remarks, and while we would agree with your attitude under ordinary circumstances, we solicit on behalf of your debtor, a reconsideration of your request for full settlement.

The other creditor, whose account is more than twice the one owing to you, has agreed to allow a discount of 17½% in full settlement. As a settlement on the same basis is also being recommended which will alleviate the necessity of any further collections being made, we have no doubt that a favourable consideration will be given by you in this matter.

Dear Sir: Re: Kamejiro OBANA - Account $181.96.
Your reference File No. 8555.

We are in receipt of yours of the 22nd instant and we are glad to know that you are interested in seeing to it that the liabilities of the above be settled, but that if this were done from funds under your care that such funds would thereby be exhausted, and you, therefore, ask us to suggest an amount to settle at less than our claim.

It is hardly necessary for me to tell you it is imperative that we collect all our accounts in full if possible, but it is of course necessary at times for us to make adjustments to meet the circumstances. Unfortunately, in this case we are not familiar with sufficient detail to be able to judge to what extent we should be expected to go, and I would suggest, therefore, that you are in a much better position to judge than are we.

Dis'd 1769

However, I may say that our accounts against this man have accumulated over a period of years back as far as 1931. They amounted in all to $260.46 and we have received periodic small payments to a total of $78.50, leaving a balance of $181.96 which is in agreement with the figure quoted in your letter. I would say that we are prepared to accept settlement of this outstanding balance for the sum of $150.00, but if in your opinion we are not making a sufficient concession I would be glad if you would advise me.

I am writing to ask if you will kindly send me the sum of two hundred dollars. It is the part of the money that you are keeping for me, which was received in selling my home. RE: Kamejiro OBARA

Together with Mr. A. M. Anderson, I have examined a good many of the items left on this property when the chattels were recovered for auction. These were mainly old cupboards, bits of home made furniture, and gramophone, etc. , which if sold, would not realise sufficient to pay the cost of removal.

From the history given by our fieldmen and from local information, it would seem that this property, in common with other properties in the localities, has been subject to anything worth while by persons entering, and it would be impossible at this late date to intelligently check the inventory.

However it is noted in the memo dated Jan. 12/44, that in the change of tenants, responsibility for the care of the chattels was not indicated, and we must therefore assume that the items unaccounted for were either abandoned, used by the tenants, or stolen.

No further action is indicated with respect to chattels.

The property of subject Japanese was removed from his old home and sold at auction on May 23rd, 1942. Hence the goods sold only represent a very small portion of the inventory we have on file, and as Mr. Miller, who lived in the house next door, promises to keep watch on the property, we believe that he could be helpful in knowing what happened to the missing items. There are two lengthy to list herein, and this is another case where you and Glenn Collings will have to look over the file when you are next in Vancouver. Note please that Mrs.

I have received your letter of May 2nd instant, advising me of the sale price and adjustment of my property as above stated.

It is surprising to know that my property is already sold by you with out my consent, and for such a low price, and I do not hesitate in making this protest for this your action.

In the reverse side of your letter, I notice that the blance of account as at Jan. 1, 1942 being stated as $4.00 to my credit. I can hardly understand how you derived this figure as balance for that date. I have never been advised of it, and you ought to have advised me in detail how this balance has been derived.

You have previously been advised that a sale of lands in rural districts was entered into between this Department and The Director, The Veterans' Land Act.

Due to the size of this transaction, the arrangements for same and the completion of the transfer have taken a considerable time. Negotations were started in the early part of 1943 and were based upon valuations made by qualified appraisers and on the basis of a sale effective as at January 1st of that year. This means that the 1943 revenues from the property were for the benefit of the purchasers, but that taxes, fire insurance and other operating charges were assumed by them.

The following is a statement showing the sale price and adjustments:

| | | |
|---|---|---|
| Sale price of above described property | | $516.00 |
| Add: | | |
| Unexpired insurance premium as at January 1st, 1943 | | 5.29 |

| Registration fee | 3.00 | |
| Encumbrance—Principal | | |
| —Interest | | 12.99 |
| Net proceeds of sale | | 508.30 |

This amount has been placed to your credit and a statement of your account is endorsed hereon showing the present balance on our books. A small amount for legal fees in connection with the conveyance to the Veterans' land will be charged later.

Dear Sir:

Re: Sale of Rural Property.

The Custodian has recently accepted an offer received from The Director, The Veterans' Land Act, to purchase a large number of Japanese-owned rural properties.

We are writing to advise you that a property which you own, or have an interest in, is included in this deal.

The sale was made effective as at January 1st last and adjustments will be made as at that date and rentals received in the current year will accrue to the Director of the Veterans' Land Act.

As this is a transaction of considerable size it will take some time to make all the necessary adjustments and receive payment. In due course, however, we will supply you with full details as it concerns your own particular property, showing the adjustments which have been made and the amount which will be placed to your credit.

We would suggest that further correspondence from you in regard to this matter should be delayed until we are in a position to supply complete information and make the proceeds of sale available to you, subject to the adjustments mentioned above, and to any legitimate claims filed with the Custodian.

In due course, therefore, you may expect to hear from us further in regard to this matter.

Yours truly,

Re: Kanejiro Obana.

Dear Sir:

Thank you for your letter of August 26th re the above. Caledonia Insurance Policy No.680855 is a renewal of the $800.00 insurance on the dwelling and which we mentioned in our report. We do not consider this to be enough.

We have made every effort to rent this property and have left the keys with Mr. Miller who lives next door and have instructed him that any enquiries he receives should be passed on to us immediately. Our rental sign has been on for some time.

In view of the fact that it is a long distance from here to White Rock we think Hughes & MacKenzie are in a better position to deal with this property than ourselves and suggest, therefore, that it be turned over to them.

Yours very truly,

Dear Sirs:

Re: Kamejiro OBANA

We are in receipt of a letter from Hughes & MacKenzie, of White Rock, B. C., stating that they issued on the 24th instant Caledonia Insurance Co. policy #680855 for $300.00 on the dwelling of the above. We presume that this is a renewal of the policy mentioned in your report as $300.00 with MacKenzie, Insurance Agent, White Rock, B. C. Please let us know if the above is correct, and you are satisfied to let Hughes & MacKenzie handle this matter.

This property is not rented, and we would like to know what has been done towards making it revenue producing. Is this property too far from New Westminster for your firm to handle?

Should be handled by this office R.C.R.

Thanking you in anticipation of your prompt reply, we remain,

Yours truly,
