Mr. & Mrs. Tomizo FUJINO,
Registration Nos. 13380 & 13373,
Tashme, B. C.

Dear Sir & Madam:

Your file has been reviewed and the following is noted:

Hisayo FUJINO and yourself declared that you owned no property in the Restricted Area. You later acknowledged a debt of \$21.00 which you owed to Dr. E. J. Barrett of Mission, B. C. You paid this to him direct on June 15th, 1943.

You applied to the Crown Life Insurance Company for cash surrender value of your policy #361556 and the amount of \$78.00 was paid to you jointly on May 20th, 1943.

A cash surrender value in the amount of \$398.00 was paid to you and Sakutaro FUJINO, your father, on May 12th, 1943 by the Monarch Life Assurance Company for your policy #P59172.

You requested the Custodian to collect a debt of \$62.18 owed to you by Hachizo MORI. It was pointed out to you however, that this debt was outlawed and you were advised that this office could not take any action on this.

It would appear that we have accounted for all the property of every kind left by you in the Protected Area which vested in the Custodian, and in order that you may confirm this we are enclosing a stamped addressed envelope.

Yours truly,

W. J. Iverson,

Dear Sir -

I received a letter from you on the
9th of March & was very much surprised.
I certainly sent the balance of \$21.00 to Mr.
C. J. Carbutt almost a year ago now.
You must be mistaken for I have the receipt
from Mr. Carbutt on June 21st /43. saying

I received the Express Money Order for \$21.00 in
full of account and thank you.

If you still do not believe me please
ask Mr. Carbutt straight or you could find
out from the Quebec post office since
they have all the lists.

Thank you

Yours truly

Dear Sirs

re: \$21.00 - Dr. E.J. Sacrett v.
Tomiso FUJINO, Rec. No. 13380

Please refer to your letter of the 3rd inst. and to our reply of the 6th inst. relative to the above claim.

On receipt of your letter of the 3rd inst. we immediately wrote to FUJINO, reminding him that he promised to forward the above amount direct to Dr. Sacrett nearly a year ago. We are now in receipt of a reply from Mrs. FUJINO, in which she gives what seems to be conclusive evidence that this amount was remitted to Dr. Sacrett as promised. She claims having a receipt in her possession from Dr. Sacrett, dated June 20th, 1943, for this amount.

If the foregoing is found correct on further investigation we shall be obliged for a reply from you, indicating that it is so, as these people now think that this office has made a mistake.

An early answer will be appreciated.

Yours truly,

B. R. Dusenbury,
Claims Department.

F.S. Since writing the foregoing we have received your letter of the 13th inst. advising that Dr. Sacrett received the sum of \$21.00 direct from FUJINO on June 19th, 1943.

Dear Sir:

re: \$21.00 - Dr. E.J. Macrett

We are in receipt of a letter from Mrs. FUJINO, dated the 10th inst., relative to the above claim.

It is regretted that we had to write to you as we did in ours of the 6th inst., but we assure you that it was no mistake of ours, as is intimated in the letter of Mrs. Fujino.

On the day that we received her letter of the 10th inst. we also received a letter from James W. Campbell, Esq., Barrister representing Dr. Macrett, and in order that you will understand where the mistake occurred we quote his letter as follows:

"After receiving yours of March 6th I was today able to see Dr. Macrett who is very busy these days.

I find that he received \$21.00 direct from FUJINO in June 1943. He thought he had told me about this but evidently he overlooked it.

I am very sorry about this matter as I try to keep these things in shape but no doubt you understand how it is."

This, therefore, closes the matter and cancels the claim on your file.

Yours truly,

B. R. Dusenbury,
Claims Department.

Dear Sir:-

I am writing you to ask you if I can
get a permit to go to Ruckin. I would like to go for
a couple days. I have some business up at Honey with
Mr. G. J. Wein & I have left a car which we need to
buy for washes on Buddha & to go with that I have lots
of valuable belonging to this religious stuff which is no
good to anybody except ourselves. I'm afraid if I left
them out in the street they may be lost & I can't get them anywhere
in this country as I must have them with me. Another thing
that I liked to get is a two round varnished wooden tray
tray tray which we used it for the religious thing too.
I asked you to send that last year and New Year but I
received a letter saying you couldn't find them at Mr. H. Daniels
720 E. Main Ave. Greensboro, N.C.'s home. I sent those trays
to Mr. Daniels so I know where he kept them as I liked to
go & look for that too. He says he didn't have time to
send them since they had to be sent in so many boxes from
Greensboro at that time. Please let me know soon and
asked the Mr. Potter in Durham & he says if the Custodian
gives you a permit I can go any time. I thank you

very much.

Sincerely yours

Dear Madam:

In reply to your letter of October 20th, please be advised that it is not the policy of the Custodian to recommend the return of any evacuated Japanese to the Protected Area.

Regarding the religious articles which you desire shipped to you, please send us complete details of the articles required, and, to the best of our ability and as soon as possible, we will have our field men attend to the shipment of same if sufficient funds are remitted to this office to take care of the necessary expenses.
