Dear Sir:

We enclose herewith copy of a letter received today from the O'Brien Logging Co. Ltd., with reference to the sum of \$600.00 held in abeyance pending settlement of charges by the Forest Branch of the Government of the Province of British Columbia.

Since this is a matter of adjustment between yourself and the O'Brien Logging Co. Ltd., this office will no longer concern itself with the matter.

Your file with the Custodian has already been reviewed and reported to you on December 11, 1945, and will therefore be closed.

Yours truly,

Re: Sakuzo JIKEMURA, Reg. No. 02987

Answering your letter of October 17th, this is to advise that we have been penalized by the Forest Branch of the Government of the Province of British Columbia in the amount of \$579.83 with reference to the timber felled by the above Japanese. Anticipating some such charge, we withheld an amount from the final settlement which we estimated was sufficient to cover it. As it turned out, our estimate was too low, as we anticipate further charges for stumpage. Recent examinations have shown that the timber has deteriorated to such an extent that it is now of no value.

Mr. Lakuzo JIKESURA,
Reg. No. Q2987,
Minto City, B.C.

Dear Sir:

We have been advised by Mr. Jeffs of the O'Brien Logging Co. Ltd. that you have been unable to locate your radio receipt. In the absence of this we enclose a statutory declaration form which we would ask you to complete giving particulars of loss and declaring that the radio described therein belongs to you. Please sign this before a commissioner and return to this office. Proceeds of sale of the radio will then be forwarded to you.

In the meantime your file has been reviewed and it is noted that you declared on April 30, 1942 that you owned logging equipment and floats located at Wells Passage and Drury Inlet, B.C., household goods to be stored at Pease Van & Storage, Vancouver, bonds, cash on deposit and certain monies owing to you.

Of the above, the logging equipment and floats were disposed of through the agency of the O'Brien Logging Co. Ltd. by Absolute Bill of Sale to the Alice Lake Logging Co. for \$4400.00 with the exception of a few items of logging equipment sold separately with your consent for \$600.00. These sums were received by the Custodian and placed to the credit of your account. The logging equipment was subject to a personalty tax which was settled from this office.

With reference to the household goods, you will recall that on your visit to the Custodian's office with Mr. Jeffs on October 16, 1945 you stated that the main portion of these goods together with the frigidaire had been taken by you direct to Minto City at the time of your Evacuation; that the piano had been shipped to you later by the Pease Van & Storage Co. and that the stoves had been abandoned by you as worthless. Other articles named on the release form dated February 20, 1944, were shipped and received by you from the Pease Van & Storage Co., and others named on the same form were sold as requested and the net proceeds of \$93.84 credited to your account. You will recall also, that you stated you were not interested in three other items mentioned in your letter of October 17, 1942 as having been left by you at 230 Powell Street, Vancouver,

Mr. Sakuro JIKEMURA,

2.

December 11, 1945.

Your file indicates that refunds were received from the Workmen's Compensation Board in the sums of \$33.35 and \$9.28 which have been credited to your account.

Canadian bonds and War Savings Certificates as well as bank accounts and contents of a safety deposit box in the Canadian Bank of Commerce declared by you were not brought under the control of the Custodian.

Regarding your declared claim against the O'Brien Logging Co. Ltd. for felled and bucked timber in the sum of approximately \$1550.00, your file indicates that this was an approximate figure as stated, the matter being covered by a statement from the O'Brien Logging Co. Ltd. dated February 22, 1943, which showed a credit in your favour of \$1291.03, the balance being represented by the sum of \$600.00 still held in abeyance pending settlement of certain charges by the Forest Branch. When the balance of this claim is received in this office you will be advised.

With reference to the sum of \$5000.00 declared to have been held in trust for you by Mr. George W. O'Brien, this office understands that this matter has been settled between you to your satisfaction by the payment into your account in the Bank of Commerce, Vancouver, of the sum of \$4209.00.

Although you declared no liabilities a claim was made against you by the Department of National Revenue which was eventually settled by this office from your funds as you are already aware.

It is noted from your file that you owned a vessel which was sold through the Japanese Fishing Vessel Disposal Committee to the O'Brien Logging Co. Ltd. on April 1, 1942, the sale proceeds in the sum of \$542.00 having been paid to you on April 4, 1942.

In addition to funds released to you through the Bank of Toronto, Vancouver, the Custodian holds for your credit the sum of \$927.38 as shown on the statement of your account attached. A cheque in your favour for this amount is enclosed herewith.

Since it appears that with the exception of the radio funds and the balance still to come in from the O'Brien Logging Co. Ltd. all the property belonging to you in the Protected Area has been accounted for, would you kindly acknowledge this when returning the statutory declaration duly completed. A stamped addressed envelope is enclosed for your convenience in replying.

Yours truly,

A.G. McArthur.

Dear Sir:

Re: SAKUZO JIKEMURA, Reg. No. 02987,
Our File 8948.

Confirming our conversation of this afternoon with your Mr. Keenleyside relative to the above Japanese account, kindly forward to the Custodian of Enemy Property the sum of \$1850.00 which will be credited to SAKUZO JIKEMURA's account in this office.

For your information Jikemura declared to the Custodian that this money was owing to him by the O'Brien Logging Co. Ltd. for felled and bucked timber and stated that he had an interest in a trust account set up in the name of George W. O'Brien, Bank of Toronto, Vancouver.

The transfer recently authorized by Mr. O'Brien to the account of this Japanese was, we believe, to the extent of \$1850.00 at least, in settlement of this claim which vests in the Custodian, and we would therefore appreciate your action as requested above.

We would also, until further notice, be glad if you would contact this office before disbursing other funds held in your Bank for the credit of this man.

Re: S. Jikemura

We have received a telephone call from Mr. George O'Brien, Vice-President of the Powell River Pulp and Paper Co. Ltd., wherein he advises that the above Japanese left \$5,000.00 with him in trust when he left Vancouver. He also advises that he reported this to your office. During the past several years he repaid \$1,000.00 to Mr. Jikemura and in the past few days has paid to Mr. Jikemura a further cheque in full settlement in the amount of \$4,209.00. The Bank of Toronto, who have been asked to negotiate this cheque, refuse to do so until they are given clearance from your office.

If it is in order, would you kindly advise the Bank of Toronto that this cheque may be negotiated and send a copy of this authority to Mr. O'Brien for his files.

Dear Sir:-

Thank you kindly for your letter of March 23 with regard to the assessments of income tax for 1940 and 1941. I have carefully noted its contents.

It will be my obvious fault that I have not been able to furnish you the records of expenses for the above mentioned years due to the fact that in confusion of evacuation I have lost all the trace of the same.

However, it is also the facts that the income tax reports for the respective years of the above and payments of taxes have been accepted by your good office and second check up of the reports had been OKayed by your officer. With this reason, I understood it is a fait accompli of the past and did not pay any more attention about the materials of records until I have lost the trace of the same.

In any case, arbitrary assessments of \$5,937.11 for income tax for the year of 1940 and 1941 are more than anything I have thought of. Therefore, I am desirous to be satisfied myself, before making any commitment, about how the above decision has been made.

Please, Sir, be kind enough to inform me in your early convenience, how it has been decided to estimate my net income of \$12,000 for 1940 and \$7,500.00 for 1941 by arbitration assessment.

I am,

Dear Sir:

In reply to your enquiry of March 29th re arbitrary assessments for 1940 and 1941, please be advised that the items charged in the Profit and Loss statements as submitted under the heading of "General Expenses" appear to be excessive. In the absence of records this Department has no alternative but to arbitrarily reduce the apparently excessive charges. However, if some evidence can be produced to substantiate the "General Expense" charges for the above years, some adjustment may be made in the figures originally submitted to you.

Yours faithfully,

Dear Sir:

We are in receipt of your letter of November 2nd requesting us to purchase \$2,000.00 worth of Fifth Victory Loan bonds. We regret that as subscriptions for the loan closed on November 6th and your application has just been received, we are unable to complete the purchase.

In connection with your funds here, we regret that we are unable to release these as the Income Tax Division have advised us that they have a claim against you for unpaid income. We asked them immediately to inform us of the amount of their claim but they stated that they are unable to obtain the necessary information from you to ascertain the amount due the Government, but they now propose to make an assessment against you for an arbitrary amount and will let us know the amount they will want held for their account.

We would suggest that you give the Income Tax Division the information that they desire so that they can ascertain the exact amount, if any, due by you.

Dear Sir

Re - JIKEMURA, Sakuzo

In reply to your letter of June eleventh regarding money owing by our company to S. Jikemura we advise as follows:

On our statement rendered to Jikemura on February 22, 1943 we showed a balance owing to him of \$1413.83. Since that time we have set up an additional credit of \$600.00 for felled and bucked timber which was left in the woods at the time Jikemura was evacuated. However, against this credit of \$600.00 there may be a liability owing to the Forest Branch on account of damage to this timber by reason of it not being removed. The Forest Branch may inspect this property at any time and render an account against us or the owners of the timber. Therefore, we feel justified in holding up this amount until such time as we know how it will be treated by the Department.

We enclose herewith statement of his account, less the \$600.00 referred to above, with our check to cover same.

Very truly yours

Dear Sir:

I beg to enclose herewith two copies of Bill Of Sale duly notaried in connection with sale of my logging outfit to the Alice Lake Logging Co.

The same had to be sent to you days before, however impassable condition of highway created by extreme cold weather of 40 below zero and restrictions imposed upon my travelling held me to have my document notaried.

When the transaction is completed I shall be very grateful if you are kind enough to send me \$5,400.00 so produced by the sale together with \$600.00 which has been deposited to your office in my credit by Mr. McKintyre as the result of sale to him my skyline, high leader brock and tree jack.

Hoping you will favour me with an early reply.

Dear Mr. O'Brien:-

Thank you kindly for your letter of December 21
with regard to your offer to purchase my logging camps and equipment.

It is quite agreeable to me to sell my whole works
of logging camps and equipment, in one block, to you or any one for
whom you are representing, for a cash transaction of \$4,400.00 with
one condition, that is to have the total amount of cash, so produced
by proposed transaction, turned outright to me, without depositing
the same indefinitely to the Custodian as I need ready cash for future
support of my family here.

It will, of course, be understood, that the skyline
and tree jack already sold to McIntyre, with consent of Custodian,
will not be included in this proposed transaction as the sale has
hitherto been completed.

We are having heavy snow fall here for the last
few days and the snow covers the ground some one foot deep. Although
the thermometer is registering up and down zero mark, we do not feel
it really cold but rather comfortable as the humidity is very low.
Mrs. Jikemura and daughters are getting along fine except they feel
bored sometime having nothing much to do here. They wish to be
remembered to you and the family.

Wishing you all the success, I am,

Yours very truly.

Dear Sir:-

Further to the writer's telephonic communication with your office regarding two Japanese subjects, G. Sekine (your file 3903), and S. Jikemura, (your file 8948):

Under dates of April 28th and May 4th last, the writer caused to be issued two fire insurance policies covering the personal effects and household goods of the above named against the risk of fire, and while stored in the warehouse of the Pease Van & Storage Co. at 1150 Hamilton St., Vancouver; said insurance being effected under Bankers and Shippers Ins. policy #1837608 for \$300.00 for one year, for G. Sekine; and in the same Company, policy #1837614, for \$750.00 in the case of Jikemura; premiums being paid in both cases.

However, the Head Office of the Company advised that they would rather be relieved of this risk in each case, requesting the return of the policies for cancellation. To take care of this situation, it has been arranged to issue new policies to replace the originals, so that their interests would be fully protected and assured. However, the first step must be the return of the policies mentioned in paragraph 2 of this letter.

The purpose of this letter is to seek the assistance and co-operation of your office to this end. We must admit that we have endeavoured to do this ourselves, without getting very far; and must apologize for not having contacted your office in the first place. But actually, we were of the opinion originally that it would be possible to do this before they left the city.

However, we trust you will be kind enough to assist us in this matter and shall be glad to give you any further information you may desire which may assist in accomplishing the desired end.

Yours very truly,

Dear Sir:

Regd. No. 02987

re: Sakuzo JIKEMURA, 346 E. Cordova St., Vancouver, B.C.

Pursuant to your instructions of May 22nd, 1942, our representative interviewed Mr. George W. O'Brien, 1501 Standard Bank Bldg., Vancouver, B.C., who is conversant with affairs of the above-named Japanese and learned that the subject party was evacuated on May 14, 1942, and is now at Minto, B.C. From information available he then prepared a report on the position of affairs, resultant details of which are shown below in the order requested in your instructions relative to the filing of agents' reports.

REAL ESTATE AND PERSONAL PROPERTY

1. Location and nature of property:

Realty:

It has not been disclosed during the course of our investigation that the declarant is the owner of any real estate.

Nature of personal property:

(a) All the household furniture has been removed to Minto, B.C., with the exception of larger items such as piano, frigidaire, stove, etc. which are stored at Pease Van and Storage Co., Vancouver, B.C.

(b) There is a quantity of logging equipment located at Wehlis Bay, B.C., in the possession of the O'Brien Logging Co. Ltd., details of which are mentioned under the Business section.

(c) Contents of safety deposit box in Canadian Bank of Commerce, Vancouver, B.C., nature of which has not been ascertained.

BUSINESS

1. Nature and location of business:

Jikemura operated as a logging contractor for the O'Brien Logging Co. Ltd., on timber limits located in the vicinity of Wells Passage and Drury Inlet, B.C.

2. Particulars of ownership:

We have been unable to ascertain the exact status, although we are unaware at this time of any encumbrances against the chattels claimed by the declarant. It is understood he has been connected with the O'Brien Logging Co. for a considerable period. That concern has intimated Mr. S. Jikemura is the sole owner of the equipment and proprietor of the contracting enterprise.

3. Assets and Liabilities:

The business assets apart from cash and securities mentioned in the JP form, appear to be as follows:

Logging equipment as per schedule attached	
Approx.	\$ 5,000.00
O'Brien Logging Co. Ltd.	
owing on felled and bucked timber	<u>1,850.00</u>
	\$ <u>6,850.00</u>

We are advised the account owing by the O'Brien Logging Co. Ltd. is payable on delivery of the felled and bucked timber now located in various parts of the logging operation. Mr. O'Brien intimated steps were being taken to complete delivery, at which time the balance would be available.

Although no liabilities have, so far, been disclosed, further enquiries are being made in that connection and the various departments of the Provincial and Dominion Governments have been requested to provide clearances with respect to any outstanding taxes.

4. Insurance in force:

From information available to us, it appears there is no insurance of any kind being carried.

5. Contracts affecting business:

As far as we have been able to gather to date, there are no contracts other than with the O'Brien Logging Co. Ltd., viz. an agreement to purchase logs produced by Jikemura. It is understood no penalty is being imposed by the company through default in completing terms of the arrangement.

6. Prospects for continued operation of business:

Conversations with Mr. George W. O'Brien have pointed to the possibility of leasing the equipment under an arrangement similar to that between Jikemura and the O'Brien Company.

7. General remarks:

It appears, shortly before evacuation Jikemura executed a Power of Attorney in favour of Mr. George W. O'Brien, Standard Bank Bldg., Vancouver, B.C. We have, under the circumstances, advised that party that any disposition of the property under consideration will be made subject to the approval of the Custodian.

RECOMMENDATIONS

We suggest that an effort be made to lease the equipment, as already indicated, failing which it might with the owner's consent be advertised for sale or sold by private arrangement. In addition, we would suggest that copies of the inventories submitted with this report be sent to Mr. Jikemura for confirmation as details therein were provided by Mr. O'Brien and have not been verified by us.

We shall be glad to receive your acknowledgement and further instructions in due course.

PERSONAL PROPERTY SUMMARY.

Re: Sakuzo JIKEMURA, Reg. No. 02987.

and camp buildings on floats
The above Evacuee declared that he owned logging equipment located at Wells Passage and Drury Inlet, Coast District, B.C. and furniture for a living room, dining room, kitchen and three bedrooms, including a piano, frigidaire and stoves to be stored at Pease Van & Storage, 1150 Hamilton Street, Vancouver, B.C.

He also declared the sum of approximately \$1850.00 to be owing to him from the O'Brien Logging Co. Ltd. for felled and bucked timber as well as \$5000.00 held for him in trust by Mr. George W. O'Brien of that company.

He declared further, Canadian bonds and War Savings Certificates as well as bank accounts and the contents of a safety deposit box in the Canadian Bank of Commerce, none of which were brought under the control of the Custodian.

This Japanese declared that he did on April 30, 1942 give a general Power of Attorney to George W. O'Brien.

The file discloses that this Japanese received refunds from the Workmen's Compensation Board of \$33.35 and \$9.28 which have been credited to Jikemura's account.

The file also discloses that this Japanese owned a radio which was transferred from the R.C.M.P. to the Custodian and sold by auction on May 19, 1944. The net proceeds of \$29.65 were credited to this man's account. Particulars may be found on Specified Articles Summary.

Of the household goods declared by this Evacuee, Jikemura, during a visit to the Custodian's office on October 16, 1945, stated that these goods were all accounted for. The main portion of the unnamed articles together with the frigidaire having been taken by him direct to Minto City at the time of his evacuation; the piano having been shipped later by the Pease Van & Storage Co. and the stoves having been abandoned as worthless.

The Custodian release forms dated February 20/44 indicate a request that certain articles have been moved from the Pease Van & Storage Co. warehouse for sale and others for shipment. The articles listed on this release for shipment were verbally acknowledged by Jikemura as having been received by him and auction sheets on file account for the balance. The net proceeds from sale of the items auctioned, namely, \$ 95.84 have been credited to this account.

A letter on file from Jikemura dated October 17th, 1942 makes reference to three boxes which were left at 250 Powell Street. These were removed by the Custodian's representative to the warehouse at 992 Powell Street, Vancouver, but Mr. Jikemura stated on October 16, 1945 that as far as he is concerned they were abandoned by him and he has no interest in same. These consisted of one box of Japanese dolls, one box kitchen-ware, one box aluminum pans. *As Spain Low Rice Station, these goods were found to have been removed from 250 Powell Street by Nakahama, the owner of the premises, and being without identification, were sold at auction & proceeds credited to Messrs. Nakahama*

With reference to Jikemura's claim against the O'Brien Logging Co. Ltd. for \$1850.00, the file reveals that this was an approximate figure as stated, the matter being covered by the O'Brien Logging Co. statement dated February 22, 1943, which showed a credit in Jikemura's favour of \$1291.03, the balance being represented by the sum of \$600.00 still held in abeyance pending settlement of certain charges by the Forest Branch. A formal acknowledgment of these details dated October 16, 1945 and signed by Jikemura is on file.

The logging equipment *and float* declared to be located at Wells Passage and Drury Inlet was disposed of through the agency of the O'Brien Logging Co. Ltd. by absolute Bill of Sale to the Alice Lake Logging Co. Ltd. for \$4400.00, with the exception of a few items of logging equipment sold separately with Jikemura's consent for \$600.00. These sums were received by the Custodian and placed to the credit of Jikemura's account. The logging equipment was subject to a personalty tax which was settled from this office.

On October 15, 1945 the Custodian was advised by the Bank of Toronto that a payment has been made to Jikemura from Mr. George W. O'Brien in the sum of \$4209.00 in full settlement of the \$5000.00 declared to be held in trust. This sum has evidently been accepted in full settlement to Jikemura's satisfaction as he and George O'Brien together effected the transfer according to verbal report from the Bank. Of this sum \$1850.00 was paid to the Custodian at the request of this office, and used in part toward satisfaction of the claim of the Department of National Revenue for income tax. The balance of this payment to the Japanese by G.W. O'Brien, while vesting in the Custodian was permitted to remain in the Bank of Toronto and the interest of the Custodian in same was released by letter addressed to the Bank dated October 17, 1945, delivered into the hand of Mr. Jikemura's spokesman, Mr. Jeffs in Jikemura's presence.

The file indicates that this Japanese owned a vessel which was sold through the Japanese Fishing Vessel Disposal Committee to O'Brien Logging Co. on April 1, 1942, the sale proceeds in the sum of \$542.00 having been paid to S. Jikemura on April 4, 1942.

One Marconi radio, Model 198, Serial Number 359, was surrendered to the R.C.M.P. in Victoria, and was handed over to the Custodian on March 23, 1944. This machine was subsequently sold and the net proceeds of \$29.65 credited to Jikemura's account in this office.

The file reveals no evidence of other personal property in which this Japanese has an interest.

The above summary is certified to be in accordance with the information on file.

LIABILITIES SUMMARY.

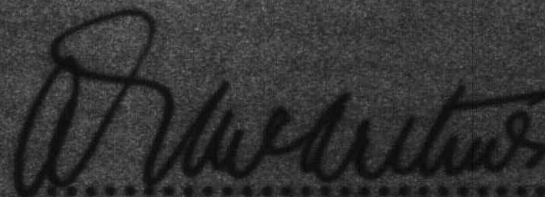

Re: Sakuzo JIKEMURA, Reg. No. 02987.

The above Japanese declared no liabilities. The file however, reveals a liability in favour of the Provincial Government for taxes on personalty, namely, on logging equipment for the years 1942 and 1943 in the sum of \$20.00. Apparently the personal property tax on the logging equipment was adjusted satisfactorily when sale was made to the Alice Lake Logging Co..

Income tax payable to the Dominion Government in the sum of \$4433.67 has been claimed and paid by the Custodian from funds at credit in this office, full clearance up to date being given by the Income Tax Department in letter dated October 17, 1945.

The above summary is certified to be in accordance with the information on file.
