Dear Madam:

Re: Prudential Life Policy No. 46052274-Miyo ISHINATA
" " " " 47154877-Uzuno "
Sun Life Policy No. 2125577-Iizotaro "

I wish to acknowledge your letter of July 15th asking us to make payments on your father's Life Insurance as well as your own and your mother's under policies as listed above.

I have today telephoned to the Sun Life and as advised that the premium on your father's policy, payable semi-annually, on May 15th and November 15, is \$24.17, and also that the outstanding loan against your father's policy as at July 15th last, was \$192.66. As you will see from the above figures the total premium payable for one year on your father's policy would be \$48.34 and divided by 12 it would be approximately \$4.00 a month. Add this to the monthly premium for your own and your mother's insurance and you have a total of approximately \$10.65.

The rent being obtained from your dwelling is \$25.00 a month of which only \$15.00 could be used for Life Insurance, so that you see there would be about another \$4.00 a month that could be applied towards paying off the loan on your father's policy.

We do not wish to have to make monthly payments on account of the work it involves but I would suggest when taking care of the premiums every six months that the payment could also be made at that time, in connection with the loan on your father's policy; necessarily it would have to be confined to the amount available after seeing that we had sufficient for maintenance cost in connection with your dwelling at 743 68th Avenue. If my suggested arrangement is satisfactory to you, kindly advise so and we will do the best we can with it.

Yours truly,

S. E. Gibson,
