re: Premises 658 Alexander St.

Dear Sir:

This is a two-story brick building containing 18 rooms let to a Japanese Mr. J. Yamabe for many many years. Mr. Yamabe was evacuated to the prairies some months ago and his wife and family remained on the premises. It seems that the family is to be evacuated on Sunday next and Mrs. Yamabe has asked me to allow two old age Japanese roomers to continue to remain on the premises until they are re-let or until other quarters are found for them, presumably by your Dapartment.

I have assented to their request in terms of a letter of August 21, copy enclosed for your file.

This building belongs to an Estate in England and has been a poor investment for the Estate because the rentals have been low during the depression years as the only tenants available for the premises were Japanese.

The taxes amount to near \$200.00 a year and there has been little income out of the property for the extate and I must now try to get some white people to rent the premises.

Yours sincerely,

Signed: D. W. F. McDonald.

Mrs. J. Yamabe. 658 Alexander St., Vancouver, B. C.

Dear Madam:

You informed me that you have been ordered by the Custodian for Japanese Evacuation to evacuate the premises 658 Alexander St. by Sunday next the 23rd instant. You state there are two elderly Japanese left behind in the rooming house premises, one Negata paying \$4.00 and the other Murakami paying \$3.00 a month and that you would like them to be allowed to remain on the premises until the premises are re-let to a permanent tenant for rooming-house purposes. I am agreeable to this in view of the long time you have resided in the premises with the distinct understanding, however, that these two elderly Japanese left behind will move away from the premises as soon as an in-coming tenant is obtained, in the meantime they are to pay their rent to me, show the premises to any prospective tenants.

I am sending a copy of this letter to the Custodian's Department.

Yours Sincerely,

Signed: D. W. F. McDonald
