Dear Madam:

We duly received your letter of the 18th ultimo, which we presume was written on behalf of your father, Mr. Sentaro SUZUKI.

We can readily understand your concern on learning that your property has been sold but would point out that this office has merely been carrying out the policy of the Government relative to Japanese ownership of property in the protected area.

We would point out, however, that you have not replied to our letter of January 3rd and we would especially draw Mr. Sentaro Suzuki's attention to the fourth paragraph of the above mentioned letter. It must be understood that unless we have specific instructions with regard to the proceeds of the sale of 8828 Salkirk Street the funds will be held by us in the meantime, and it will not be possible for any monies to be issued from these proceeds. We hope, therefore that in the near future we shall hear from both Sentaro Suzuki and Kaoru Carr Suzuki of their wishes in this matter.

Yours truly,

P. Douet,
Administration Department.

We are in receipt of your letter of the 1st instant enclosing copies of letters dated the 18th and 28th ultimo from Miss Suzuki, and would advise that so far as the Custodian's Office is concerned we see no necessity for any of the Suzuki family to visit Vancouver in connection with their affairs, and in these circumstances we presume you will advise Miss Suzuki accordingly.

Dear Madam:

Re: Sun Life Pol. 899422
Sentaro SUZUKI

We wish to acknowledge your letter of November 19th concerning the above numbered policy. We are advised by the Sun Life that this policy will mature on November 24th, 1948. At that time if the policyholder wishes to leave the proceeds with the Company, he may do so.

In the meantime there is a net premium of \$42.91 due on this policy as at November 24th and with the 30 days of grace allowed this will have to be paid prior to the 24th of December.

We have received a post card from your daughter Aya, asking us to pay this premium. The account in this office as you probably know, is in the name of your husband and we will be glad to take care of this premium payment for him from money standing to his credit upon receipt of a signed request by your husband to that effect. I am attaching hereto a letter addressed to ourselves and if your husband wishes this premium paid, please have him sign it and return it immediately.

We have written to your mother and we have requested authorization from your father to pay the premium on this policy from funds standing to his credit.

For your information we are attaching a copy of our letter of today's date addressed to your mother.

Dear Madam:

Re: Sun Life Pol. 899422
Sentaro SUZUKI

I wish to acknowledge your post card dated December 8th regarding the above. Before going any further, let me point out to you that the Custodian is only endeavouring to be of assistance in connection with the payment of premiums and other matters we handle in connection with Evacuee life insurance; and if the service we are endeavouring to render is not appreciated, your father is at perfect liberty to look after payments on his life insurance direct to the Company.

Some time ago, we sent a circular letter to all people of the Japanese race who were evacuated from this part of British Columbia and concerning whom we had records of life insurance that they had placed with companies in this area. For your information I am enclosing herewith a copy of our Form Letter No. 118. to which I am referring.

Now to deal with our recent correspondence. You wrote a post card direct to the Sun Life Assurance Company, Royal Bank Building, Vancouver, dated November 20th telling the Sun Life that your father had moved to London, Ontario, and that you were forwarding his mail. You pointed out to the Sun Life that if their letter or letters were concerning payment of premiums that the Custodian had monies from which they had paid last years premium with your father's consent. The Sun Life took for granted that you were asking them to refer the matter of premium payments to this office, which they did, sending us your post card referred to above.

On or about the same time that we received this post card of yours from the Sun Life, we received a letter from your mother from London, Ontario, dated November 19th, asking for information in connection with the above numbered policy on your father's life.

- 2 -

The first thing we did was to get in touch with the Sun Life obtaining information re-quested by your mother, and we passed it on to her in our letter of December 1st, a copy of which we sent to you, with a covering letter addressed to you of the same date.

In reading over our letter to your mother of December 1st, I referred to the post card mentioned above as having been received from you asking us to pay a premium on this policy. I refer specifically to the first sentence of the third paragraph. Now that we have created a misunderstanding in your mind. The post card referred to there was actually the one re-coined by the Sun Life in which you refer them to us in connection with the payment, which really amounted to the same thing.

For your information I might add, we have not received written authority from your father to pay this year's premium on the above numbered policy and we are arranging to do so immediately.

Trusting that this explanation clears up the matter, we are

Dear Sir,

I thank you very much
for your letter of Dec. 11/14. I could say
some nasty things re your first paragraph
but will not. Everything new is chand up except
for one point. Mrs. ^{I like} ~~Leah~~ Hughes Reg. # 08905 is
still here. A sister-in-law is writing from
the East.

I presume the following is
not in your department - so please
forward. Father wishes to know and so do I.

- (1) for What was 8814 Selkirk St. Sold.
- (2) what happened to the furniture - as it was fully furnished.
- (3) what happened to the 2 Apple trees, 2 cherry
3 pear, 2 plum.
- (4) what happened to my piano which was
in 8842 Selkirk St.
- (5) China in the Back Shed of 8814 Selkirk
St. if not sold to be sent here, collect!

In a previous letter I said
you could sell the old clothes and
some religious books ^{which you said you had} Then what has
happened to all the School Books -
some University Books - They certainly
would come in handy now. would
like them to be sent up.

Please, please don't sell
anything else of ours - and let
Fairbairn look after things as you
once promised - I don't think I can
Democracy can't we have some of
our wish granted or do you have to
do everything without even asking
us first or letting us know!

Hoping to hear soon,

Yours truly

Dear Madam:

In reply to that portion of your letter regarding the furniture found at 8814 Selkirk Street, we would inform you that everything has been sold. This includes the piano formerly stored at 8842 Selkirk Street.

You mention that the piano was yours, but we see no declaration to such effect in your registration with the Custodian.

Clothing and articles of a religious or purely personal nature, would not be sold.
