INSURANCE:

Regarding Insurance, as the Evacuee has apparently already left the City there is no information which we would obtain about the insurance being carried on the dwelling and on the furniture at the present time. We asked the tenant, Mrs. G.E.Bansted if she had any information concerning same (Mrs. Bansted was in the owner's office at one time) and she stated that she did not know anything about the insurance but assumed that the information had been given to the Office of the Custodian. There is no information on your J.P. Form conserning same. We would therefore ask you to kindly forward us particulars of this insurance for our files. We will then advise you whether we think the property is sufficiently protected.

FINANCIAL POSITION:

In our opinion the financial position of this property is satisfactory. The dwelling is rented for a nominal rent but sufficient to take care of the carrying charges such as taxes, insurance and water, at the same time it will not leave much revenue for theowner.

FURNITURE.

There is a very large quantity of the evanouse's furniture in the property at the present time. Most of the furniture has been moved upstairs into two bedrooms which are not being used by the tenant. These bedrooms are not looked and the furniture is scattered throughout the two bedrooms. There are also many articles belonging to the evacues in the basement. The tenant states that she is not utilizing any of the furniture on the ground floor which belongs to the owner. The tenant also informs us that it is the intention of the evacues to now many of these effects out of the house in the near future. If this is the case it would be wise to make a complete inventory at the present time. Nevertheless, the tenant stated that it is her intention to make an inventory of this furniture.

Will you kindly advise us if you wish a complete inventory made at the present time, having same signed by the tenant and forwarding the usual copy to your Department. We will of course have to abide by the information given us by the tenant as to what articles are the owners and what articles belong to the tenant.

As previously stated the tenant in the dwelling, Mrs.

G.R. Bansted, has apparently known the Evaquee for a

considerable period of time and therefore was given the

premises at a very moderate rental of \$20,00 per month,

the owner to pay the water. The premises were occupied

on the 29th day of May 1942 and the rental for the month

of June was paid to the Bank of Montreal, Main and Broadwa

Branch, to the account of the Evaquee.

The rent for the periods of July, August, September and October, were paid to the Office of the Custodian. The rent which is now outstanding would be for the period from November 1st to November 50th, according to information procured from the tenant. We presume that you will check the above.

We recommend that in view of the above arrangement being made direct between the owner and the present tenant, Mrs. G.E. Baneted, that it be allowed to stand provided the owner does not require any revenue from the property although a much higher rent could readily be obtained on today's market. We do not know what the position of these properties will be, say, in the event the War continues for a period of three or four years. The rent has been set at \$20.00 per month and therefore cannot be increased according to the Regulations of the Wartime Prices and Trade Board, unless your Department has the authority to cancel any such arrangement and set a proper rental value on these properties which have been rented at a nominal rent.

In view of the fact that there is no Agent looking after this property, and that we have made a Report on same, we recommend that we be instructed to advise the tenant to pay her rent to this office, and to take charge of the property on your behalf and on behalf of the Evacues, collect the rents in the usual manner and remit them to your office. Will you kindly advise us in this regard so that we may inform the temant to pay the November rent to this effice.

REMARKS

RECOMMENDATIONS:

THE RENTAL VALUE

In our epinion the above premises could be rented today at a rental of \$45,00 par month.

THE SALE VALUE:

The sale value of this property on today's market would be approximately \$4000 gross.

This property was inspected on October 50th 1942 by Mr. J.M.Anderson, Rental Manager, and the writer.

Dear Madant We duly received your letter of May 22nd which due to pressure of work we regret has not been replied to earlier. We wrote your son as recently as April 22nd informing him that there was \$4173,20 standing to his credit and that any request for funds would receive our careful attention. We note from your letter that Tomi Tare Nishio, your son, deeded the property, 2146 West 12th Avenue, Vancouver, to you by Deed of Land, dated March 4th, 1942, but we are only just aware of this fact as the Deed was not registered and this was not shown in the Certificate of Broumbrance. In the circumstances, before we can transfor any funds to you we must have a written statement from your son confirming that he wishes this to be done, and we feel it will be necessary for us to issue any cheques from this account in both your names --- we take it there will be no objection to this. A copy of this letter is being sent to your son that he may be fully advised in the premis-.80 Isura truly. P. Douet, Administration Department PD/ER Co to Tool Taro NISHD
