Dear Madam:-

Re: SHOJI, Kojiro
TATEMACHI, Akiji

This letter is to request that you will not fail to advise this office when you will be leaving the premises now inhabited by you as we shall have to make arrangements about the furniture and effects included in the lease.

There are said to be some belongings of Mr. Akiji Tatemachi stored in the basement and this man has written to a friend in Vancouver to pick them up and ship them to him. Our representative has called several times but has been unable to find anyone at home. Would you please write or telephone us setting a time (preferably between 9:00 a.m. and 5:00 p.m. on week days) when you will be at home and our representative may call on you?

(Mr. Tatemachi)

Yours truly,

H. F. Green

The above Inventory found on File 4834 and on investigation of the files listed above, the goods declared and shipped to the Japanese in question do not seem to correspond with the chattels mentioned on this inventory. File 10296 declared the chattels listed but only 1 carton and 1 crock were released to him on Mar. 8/43.
