Dear Mr. Wright:

Re: Okalta Oils Ltd - Nobuichi TAGUCHI, 100 shares  
Pacific Nickel Mines - " " 200 "  
Atlas Royalties - Mrs. Shizue SOKUGAWA. 1/40 of 1 unit

The registered owners of the above shares recently returned to Japan. The certificates covering same were being held here by us for safe keeping and as they now vest and have a market value we are intending to dispose of same. The net proceeds will be used for re-imbursing the Treasury for basic advances made by them at the time of repatriation.

In the case of the Atlas Royalties, I endorsed this certificate on behalf of the registered owner but the company are not prepared to accept my signature.

Will you kindly have this and the other two share certificates properly endorsed. It would have been better for these to have been endorsed by the registered owners but the certificates were not examined until after the owners had returned to Japan.

Yours very truly,

F. G. Shears,  
Director.
