Gentlemen;

We desire to pay the matured pure endowment benefits in the total amount of \$331.50 under the above numbered policies which matured on August 17, 1945.

The insured who is of Japanese extraction according to our records was born in Canada.

We are unable to determine whether the insured is an evacuee, however, there is a possibility he may have been since at the time of issuance of the contract he resided at 538 Alexander Street, Vancouver, British Columbia; whereas, his present address is 29 O'Hara Avenue, Toronto, Ontario.

Therefore, in view of the foregoing, we would appreciate your advice as to the proper procedure to follow in order to disburse the funds.

For your information we wrote to you under the date of September 11, 1946, requesting your advice as to the proper procedure to follow to disburse the matured pure endowment benefits due under two policies issued to a Yoshiro Nishimura, who we were informed resided at 29 O'Hara, Toronto. On the assumption the word "Street" was omitted we inserted it in the address when we wrote you. It now appears that since these two insureds bear the same surname, that they are related, and therefore, the correct address is 29 O'Hara Avenue.

In order to expedite the payment of the proceeds, we would appreciate it if you will please forward your reply for the attention of the undersigned.

Very truly yours,
