Cumberland, B. C.

Dear Sir:

Further to our Administration Department's acknowledgment of December 29th, there seem to be Items Nos. 8 and 9 (wicker basket and mattress) unaccounted for in your report. Would you check up on this at your convenience?

In this case, as in others, we cannot trace on our files releases to cover everything shipped, but in many cases we believe that this is due to the Security Commission omitting to send us copies.

We quite understand that you would make no shipment without a proper release which, of course, you would retain as a receipt and which could always be made available to us should any queries arise.

Yours truly,

H. F. Green
