Please note that the above has been repatriated to Japan. At the time of repatriation, the following transactions took place:

It will be seen that this Japanese is indebted to the Department on account of repatriation in the amount of \$ 200.00. Therefore should you receive further funds on this account such funds should be turned into this office. It will be applied first to recoup the expenditure made and, second, if there is any surplus such surplus will be remitted to Japan for the account of the Japanese in question.

GENERAL SUMMARY

File No. 11252

Wine YAMORI

Reg. No. 08998

This woman was evacuated from the protected area on September 26, 1942. A declaration to the Custodian, dated July 10, 1942, is on this file. It is signed by her husband, Kikunaburo YAMORI, on her behalf as Mrs. YAMORI was sick in bed at the time.

In this declaration the following chattels are reported, 1 stove, 1 Singer Sewing Machine (1942), kitchen utensils, carpets & dishes all stored at the home of Bill Smith, Woodfibre. On June 8, 1945, this office wrote Mrs. YAMORI in regard to her chattels and advised her that if she wished to leave them where they were this office would raise no objection. No reply was received from Mrs. YAMORI, but her husband wrote that the sewing machine was at the home of Bill Smith and that he would write us later about this. We have heard nothing further from him in regard to the sewing machine, and we judge since the sewing machine was the only article mentioned in his letter that everything else had been accounted for to the satisfaction of the owners.

The declaration to the Custodian on this file also lists life insurance in Japan, also children. From which it would appear that all life insurance of the family is carried with Japanese companies. Life insurance policies do not come under the control of this office.

This file reveals no real property interest. No liabilities are shown in this file. There is no evidence of any personal property other than that mentioned above.

This summary is certified to
be in accordance with in-
formation on file.

Mr. Kikunoburo YAMORI,
Registration No. 09074,
Bay Farm,
Slocan, B. C.

Dear Sir:

Enclosed herewith is Custodian cheque in the amount of \$6.20, representing all funds standing to your credit with this office.

In your declaration to the Custodian you reported a quantity of chattels, all of which were shipped to you through the British Columbia Security Commission.

On June 25, 1945, you informed us that the sewing machine, declared by Mrs. Yamori, was still in the care of Mr. Bill Smith, of Wood-fibre, and you stated that you would write us later about this. As you are satisfied with the arrangements made in regard to this machine, this office will take no action in connection with this.

Your life insurance policy did not come under the control of this office.

You have already informed us that the camera we mailed to you on July 10th has been received by you.

The sum of \$6.41 was received from the Provincial Government on your behalf and was credited to your account. This sum was the refund of 15 wage deductions for the period from January to June, 1941.

Postage on your camera, amounting to 21 cents was charged to your account, leaving the sum of \$6.20 to your credit. This sum is being remitted to you by the enclosed cheque.

It would appear that we have accounted for all the property of every kind left by you in the protected area which vested in the Custodian and in order that you may confirm this and acknowledge the enclosed cheque we attach a stamped, addressed envelope for your reply.

Yours truly,

F. Matheson,
Protection Department.

Mr. & Mrs. Kikusaburo YAMORI,
Reg. Nos. 09074 & 08998,
Bay Farms,
Slocan, B. C.

Dear Sir and Madam:

As far as we can trace, all the belongings of Mr. YAMORI which were brought down from Woodfibre have now been shipped to you. We still, however, hold your camera and due to a recent change in regulations can send this to you on request. We also have a credit in your account of \$6.41 being refund of wage deductions.

When you let us know about your camera and remittance of the above to you, you might advise whether Mrs. YAMORI still has some belongings stored in Mr. Bill Smith's home at Woodfibre. If she is content to leave them there, we will raise no objection but will not further concern ourselves with them and will regard your files as closed.
