Dear Sir: Re: S. Konishi.

There has been some delay in replying to your communication of the 5th instant for the reason that we were endeavoring to locate the file of S. Konishi of 1633 West 2nd Avenue, Vancouver.

There is no helpful information on the file of S. Konishi & Company, No. 13745, beyond a reference to an internee, Ichijiro TSUJI, who lived at the same address. We received an account from B. C. Telephone Company showing that Konishi & Co. were indebted to them and a letter has gone forward to the internee requesting information as to the business which he operated.

According to our records, the assets of the internee included a grocery store and fixtures at the above number and evidently the business hinged on sales effected as a peddler. When his truck was impounded, it became necessary for them to sell personal belongings and furniture and a suggestion was made that they would apply for relief unless evacuated. This man apparently had a route of some kind through the Steveston district, and an inspection of the neighborhood confirmed the suggestion that there is no local trade.

The store referred to was rented from a Hindu and as the rent fell in arrears, a settlement was effected with the landlord, who took over the fixtures.

- 2 -

If you think that Ichijiro TSUJI is the party you would like to question, we will be pleased to communicate with the Camp Commandant and have him paraded in order to obtain information that may be helpful to you.

Let us hear from you, please.

Yours truly,

KW/W
