Dear Sirs:-

Re: Chatham St. near 3rd, Steveston

I understand that any Japanese effects and furniture on the premises are not included in the sale. These will be removed by the Custodian as soon as possible but in cases where the furniture is included in the lease to the present tenant it cannot, of course, be removed until he is ready to vacate the premises. I undertake to give the Custodian at least two weeks notice of the date on which the tenant is vacating the premises and to allow the Custodian access to the premises in order to remove the furniture at a reasonable and convenient time following the termination of the lease.

MEMORANDUM — TO THE FILE June 29, 1945.

Mr. Harris called from Steveston stating that Mrs. Trites now lives at Terra Nova. Her foster son lives with her at Terra Nova and is the pick-up man for the A. B. C. Packers, and his territory is near Eburne. Mr. Harris saw this man relative to Mrs. Trites indebtedness to the Custodian and he questions the amount and states that he will go to the Municipal Hall and get receipts showing that he has paid more water than he is being charged with. Mr. Harris will report further at a later date.

On checking the water situation with Mr. Palmer today, we find that water has been paid to December 31, 1942. 1943 water rates were paid by the Custodian on March 31, 1945, and water to June 30th for 1945.

Through some error the Municipality omitted to send us a bill for 1944 and there is now outstanding $30.00 for this year. It appears that Mrs Trites would be responsible for water from May 28, 1942, the date of evacuation. (Our file does not disclose whether Mrs. Trites or the Japanese paid the 1942 water rates.)

Enclosed herewith please find a letter addressed to the above. Would you kindly, at your convenience, call upon this lady and present this letter which speaks for itself, and obtain the sum indicated if possible.

Mr. Peters tells me that her son works in one of the fish companies at Steveston, and it might be a good idea to call at meal time if possible when he could assist Mrs. Trites in making this settlement.

For your information the property was sold and Mrs. Trites has recently received the full amount of her equity, being in the neighborhood of $900.00.

Dear Madam:

Re: Unpaid rent for dwelling
Chatham St., nr. 3rd Ave.,
Steveston.

We have written to you repeatedly regarding the water rates on the above dwelling for the years 1943, 1944 and the period January to June 30, 1945, which in all amount to $75.00.

As you are aware, these rates were agreed to be paid by you instead of rent as you had already sold the house to Hisao Tanaka under an agreement for sale. Upon settlement of the amount owing to you under this agreement it was fully expected that you would have at once paid this debt and we cannot understand why you have failed to do so.

We are sending this letter by our agent in Steveston, Mr. Harris, and would ask you to please hand him a cheque payable to the Custodian of Enemy Property for the required sum of $75.00.

Interest due

About property which I purchased. You have told me to give back the property to Mrs Initea. First time we have paid $400 and after that we paid interest each year. That means we didn't lived there free. The house is very old and build like a Block so after we lived there we fixed every part and rebuilt many places. spending lots of money on it. Before we lived the house were burned so it need fixing. And we have stored many goods before leaving.

I would like to ask you, if the property is sold more than the balance left I would like to have the money as much as I could get. The balance left is $750 before we come here. I hope Mrs. Initea will pay up the interest from then, because she's living.

I will enclosed the list of goods stored in the house.

Dear Sir:

In connection with Lots 7, 8 and 9, Block 21 Subdivision Section 3, Block 3 North, Range 7 West, situated on Chatham Street near 3rd Avenue, Steveston, as you are aware, you purchased this property by assuming an Agreement for Sale from Letitia Trites. At the present time there is owing on this Agreement $921.25 together with interest from September 16, 1944. Based on its present assessed value and the appraisal we have had made on this property, it would appear that the amount owing under the Agreement is greater than these values, and that therefore you have no equity in the property.

We would point out that you have lived in this house for many years without making any payments so you have had free rent.

Under this Agreement if Mrs. Trites took foreclosure proceedings and sold the property at auction, you would be liable for the difference between what she obtained for the sale of the property and the amount owing under the Agreement for Sale. Therefore, in this connection we would suggest that you sign the enclosed Quit Claim Deed, in triplicate, giving the property back to Mrs. Trites and being released from any further liability.

If this meets with your approval, will you kindly execute the documents enclosed, going before a Notary and having him witness your signature. When this is done, we would ask you to kindly return the documents to us.

In this connection we are sending you a stamped, addressed envelope for your convenience.

Re: Hisao TANAKA, Reg. No. 05469,
Lots 7,8,9, Blk. 21, Subd. Sec. 3,
B3M, R7E, Map 249, Mun. of Richmond.

As it appears from the statement of August 18, 1944 acknowledged by Tanaka that there was owing by him on the above property $921.25 together with interest from September 16, 1944, there seems to be no equity owned by the Japanese.

The whole transaction should be outlined to Tanaka and quit claim deed sent to him for signature. It might be impressed upon him that he has lived at these premises for a great number of years virtually for nothing and that he is indebted in a sum greater than the value of the property according to an independent appraisal. It will be our expectation and hope that the registered owner will accept the quit claim and release Tanaka from his obligation. The quit claim should be sent by registered mail with a stamped addressed envelope for return.

If Tanaka refuses to sign the document we will either lift our vesting with the approval of the Advisory Committee or advertise again in the hope that we may get a sufficient bid. If the latter course is eventually followed Mrs. Trites will have to be given to understand that she is not the owner of this property and must not do anything to interfere with a sale; that she is a tenant only and is a matter of fact in default of her rent at the present time, as her undertaking to pay water rates has not been kept.

Re: Hisao TANAKA, Reg. No. 05469

Article	Description	Valuation
Gillnetter	"H. T." Fishing License 1419	

The above-indicated boat was attached to Phoenix Cannery, Steveston, B. C., which is operated by the Anglo-B. C. Packing Co. Ltd.

According to information supplied by A.B.C. Packing, this man owed the company no money.

The vessel "H. T." was not impounded.

There is no record of a sale.

Hisao TANAKA did not declare ownership of a vessel.

It would appear that one or another of the following is true:

1. The vessel was merely rented to H. Tanaka
2. The boat was sold privately by Tanaka, prior to leaving this area.

An interview with Mrs. Patricia Trites revealed the following re Lots 7, 8, 9, Block 21, Section 3, Block 3 North, Range 7 West, Map 249:

In Dec. 1929 Mrs. Trites sold this property to Stanley Carter under an agreement of sale for $1000.00 of which $250.00 was paid in cash. No other payments were made by Carter.

An assignment of his agreement was made by Carter to Tanaka and Tanaka paid $140.00 to Mrs. Trites on 16 June 1936 and $50.00 on Sept. 20 1938. No other payments were made and Mrs. Trites is proceeding to take back the property.

Re: Fishing Nets

The only inventory cards marked R. Tanaka are:-

C568 4/40 x 5½ x 60 - 400 fa. sold for $20.00

C569, marked 50 mesh, 101 fa. which Miss Sullivan notes as 6/50 x 7½ x 60 - 50 in letter of January 4th.

Possibly the first mentioned net is the same Tanaka declares as 5 x 5½ x 60 - 200 fa. This leaves his net, 8 x 6½ x 60 - 115, still in the dark.

As Tanaka only declares three nets, it does not seem possible that numbers 568E, 570 and 573 should be credited to him, and should rather be held in suspense until these numbers are claimed by some other Japanese.

I should like to know the current position of this man's note in order that I may inform him of this.

Our file shows that his note Nos. 568, 1687, 279 and 573 have been sold but apparently neither of the two note given in his inventory of February 1941. Can these have been sent out to the wrong people? May I suggest that the slips which appear on file with not particulars are very confusing and hard to find, and full size sheets be used in future.

Grand Forks, B. C.

Dear Sir:-

Thank you for your letter of June 30th. We are quite ready to send you the $35.00 received for your net, but are a little puzzled as to your identity. We have a Hisao Tanaka registered with us No. 07104, but no Hisao Tanaka No. 05469.

Please let us know whether you registered with the Custodian before leaving Vancouver and if so, what is your full name. We are sorry to delay, but you will understand that we must be careful before paying out money. If your brother is at the same address, please write a short letter giving the above information, stating to whom the money should be paid, and signed jointly by you and your brother.

Yours truly,

H. F. Green

Dear Sir:-

Mr. Lord of the Phoenix Cannery tells us that you requested him to sell your nets if possible. He recently received for the following net:

6/50 x 7½" Mesh x 60 Meshes Deep x 50 Fathoms Hung--
No Lines----------$35.00.

We had this net inspected and appraised by Mr. C. P. Leckie, and he put its value at $35.00. The net has been sold for that sum and we now hold the money here. As you have no claims against you, we will send you a cheque for $35.00 on receipt of your written request.

Yours truly,

R. P. Alexander

Dear Sirs:

Re: Hisao Tanaka 3/12

Referring to your letter of June 22nd regarding H. Tanaka we wish to state that this man is not connected with Manabu Tanaka, File 1101. His name is as above and his address is Box 268 Grand Forks B. C.. This man asked the writer to sell his net and forward the money to that address. However on the advice of Mr. Green by telephone we sent the money to your Department instead. We do not think Hisao Tanaka gave your Department an inventory of his nets.

Yours truly

Re: H. Tanaka - Net

1 Net 6/50 X 7 1/4" M. X 60 M. D. X 50 Fthms Hung - No Lines

Tanaka requested me to sell his nets for him. He asked $ 75.00 for the above net. The net was found to be in poor shape and can be used only part time as a " Handy Billy ". The fisherman offered $ 30.00 and after inspection of the net by Dick Leckie the price agreed on was $ 35.00.

NOT $ 52?

Yours truly
