Dear Sir & Madam:

In reply to your letter of the 19th instant we would advise that your previous letters regarding this matter have been submitted to the Department of Labour for consideration. That Department has stated that the circumstances under which you have obtained maintenance are such that they are not in favour of release of funds for repayment of debts incurred during your residence in a controlled centre.

We would suggest that you discuss the various aspects of your case once again with your Supervisor and ask the Department of Labour to advise this office of their final decision. You must understand that in matters involving granting of maintenance it is the practice of the Custodian to act in line with the advice of the Department of Labour, and we would be glad to know that you yourselves had gone into the matter fully with your Supervisor.
