CHATTEL SUMMARY

File No. 11630 October 31,1947

Re:Mrs. Kerayo NAGAMI,Reg.No.01013

Mrs. NAGAMI was the operator of a confectionery store, at 423 Powell Street, Vancouver, B.C. At the time of her declaration, September 9,1942, this business was closed. Mrs. NAGAMI was evacuated on September 11,1942, and on that date Harold D. Campbell was requested to investigate and report on her property.

On September 17,1942, Mr. Messenger of Harold D. Campbell's office, made a report in regard to this property. He stated that Mrs. NAGAMI had been evacuated on September 11,1942, and the building locked up. Mr.Messenger had obtained keys to the house and the shack at the rear from the Custodian,and upon investigating the premises had found the back door forced open and the padlock on the shed at the rear knapped off. This was reported to the Police and to the Custodian. The goods found to be missing are shown on the Chattel Schedule, which lists also the goods which Mrs. NAGAMI had reported would be left at 423 Powell. Mr. Messenger re-padlocked the shed and spiked it up. He also spiked up the rear door of the premises with timber from the inside.

As the chattels were in rented premises Mr.Messenger suggested to S. Sasaki, son-in-law of Mrs. NAGAMI that he advise her to dispose of these as soon as possible. On September 19,1942, Mrs. NAGAMI authorized sale of her stock and fixtures and asked that the funds be paid to her debtors.

On September 30,1942, Mr. Messenger reported that he had shown the goods to Mr. J.W.Anderson, who had been working in conjunction with the liquidation of other Japanese businesses, and the best offer Mr. Anderson would make was $12.00. Mr.Messenger thought the value of the goods did not warrant the advertising of these for sale, ad he suggested that Mr. Hirahara (not otherwise identified) who had already sold several small items from this store, continue to try to dispose of the goods individually and when further sales proved impossible, the balance could be sold to a junk man. Mr. Messenger stated that he was writing the landlord, Mr.G.H.Burton, asking permission to leave these odds and ends on the premises without any charge for rent until such time as a tenant was found for the premises. Copy of letter of September 30,1942 to Mr. Burton containing this request is on file. There is no copy of Mr.Burton's reply.

On October 23,1942, Mr. Messenger reported that about a week following his previous report the premises had again been broken into, and that On October 22,1942, Mr. Taylor who lived next door had noticed that the rear door had again been forced. Mr. Taylor had nailed the door up, but the following morning had found it broken open again, and on investigating had found certain lead piping and plumbing fixtures gone. Mr. Messenger stated that the police protection in the district was insufficient and that in any case the situation was such that it would be almost impossible for a police patrol to notice anybody actually at work breaking in.

On October 26,1942, Mr. Messenger was instructed verbally to sell as soon as possible to prevent further loss. On November 5,1942, he reported that he had accepted an offer from Mr.J. W. Anderson to remove the junk and broken chattels from the premises on payment of $5.00. Mr. Messenger stated that the prices placed by the owner on the goods had been ridiculous. He stated that everything that could possibly be sold had been disposed of by the owner prior to evacuation. He said that the fixtures left in the premises were damaged and could be sold only as junk, and that such articles as cooking utensils, oven, etc. were old and damaged and only scrap metal. The gas oven he said was burned out and had not been used for years. Mr. Wilson of this office had examined the goods and agreed with the report of Mr. Messenger. A memorandum dated November 9,1942, signed by Mr.Wilson confirms this.

The total sum received from the sale of the goods sold by Mr.Mizohara was $5.50. This with the $5.00 received from Mr.J.W.Anderson, made a total of $10.50, which was placed to the credit of Mrs. Nagami.

This summary is certified to be in accordance with information on file.

Mrs. Haruyo NAGAMI,
Reg. No. 10775,
P. O. Box 1832,
ASHCROFT, B. C.

Dear Madam:

Your letter of November 8th in regard to your chattels has been received. We have also received a letter of the same date from your son-in-law, Mr. S. S. Sasaki.

In regard to the information given in our letter to you of October 31, 1947, Mr. Sasaki states that he had no information of the stolen goods and that when he checked the goods with Custodian representative everything was there. Our statement that the information respecting the goods not found by our representative was given to Mr. Sasaki was based on the report of our representative, which is dated September 17,1942, and which contained the information that our representative had got in touch with Mr. Sasaki and had Mr. Sasaki check over the inventory. The report went on to state that Mr. Sasaki had stated that the articles which were not found had been on the premises when you left.

In your letter you state that during the period from September 12,1942, to September 19,1942, you did not receive any letter from the Custodian, and that you did not say or write anything authorizing sale. It is true that our records show no communication from this office to you during that time, but we have on file a letter dated September 19,1942, at House #42, Tashme, B. C., which reads as follows: "Refering to my store in 423 Powell St., I would like to have our stocks and fixtures sold and paid to the companys I owe." This letter is signed "Haruyo Nagami", and this signature closely resembles that which appears on your declaration to the Custodian. We believe the letter was written in consequence of the suggestion,made to the Custodian representative by Mr. Sasaki, that the Custodian should dispose of the entire lot of goods and that Mr. Sasaki would write advising you to request our representative to do this.

Yours truly,

F. Matheson,
Office of the Custodian.

Dear Madam:

Concerning the Statement of Mrs. H. Nagami your File No. 11630, I went to your office on Oct 31, 1947 and got the Statement which I took with me to Mrs. H. Nagami when she asked me to read.

I read to her and found out there was mistake in your statement as follows:—
The paragraph where it states.

"This information was given to your Son-in-law, Mr. Sasaki, who was in the city, and the inventory of the premises was checked with Mr. Sasaki."

Above information, to my knowledge I did not have any information of the stolen goods and when I checked with your agent everything was there and spic and span.

For above reason I wrote this letter

Yours truly

Mrs. Kazuyo NAGANI,
Reg. No. 10775,
P.O. Box 1832,
c/o Mr. S. Sasaki,
ASHCROFT, B. C.

Dear Madam:

Your file with this office has been reviewed, and we give you herewith a report of your affairs.

In your declaration to the Custodian, on September 9,1942, you reported a quantity of store equipment and stock at 423 Powell Street. Following your evacuation, this office sent an agent to investigate your property. This agent found that the premises had been broken into and the following articles were not found:

24 Jelly Cutters
1 Box Printing Outfit
1 Bundle Red & White String
1 Box Labels
1 Mahogany Block
1 Box Rubber Stamps
2 Jelly Moulds
1 Box Christmas Ruffles
1 Wall Clock
1 Package Copy Paper

and one flag pole was found to be broken.

This information was given to your son-in-law, Mr. Sasaki, who was in the city,and the inventory of the premises was checked with Mr. Sasaki.

On September 19,1942, you authorized the sale of your stock and equipment. You did not state how you wished these sold, and as the agent had found that the stock and equipment were of small value, it was decided to sell these in the least expensive manner possible. Therefore individual sales were made, and in this manner two old trunks, two tables, two old dressers, a step-ladder and some wood were disposed of for the sum of $5.50. On November 5,1942, the goods remaining were sold for the sum of $5.00. In addition to the payment of $5.00 the purchaser agreed to remove from the building all the junk and broken chattels.

In regard to the goods found at 423 Powell, as we reported to you on November 9,1942, our agent had stated that the prices placed on these goods by you were ridiculous as the goods consisted of broken show cases, cooking utensils,ovens, etc., which were so old and damaged that they were nothing but scrap metal; the gas oven was entirely burned out and rusted.

From the $10.50 credited to your account, payment was made of the City of Vancouver Water Rates bill of $6.10, and the sum of $4.40 was applied on the rental claim of $75.00 filed by Mr. G.J.Burton, landlord of the premises. Mr. Burton claimed rental from September 1,1942, to the date on which the articles left by you at 423 Powell were all removed. Of his claim $70.60 is still outstanding.

In regard to the accounts receivable which you reported to this office, your file shows the following information:

1. Masuichi SHIRAGA - $120.22. This man is deceased. He had many liabilities and no assets, according to our records.

2. Yasu TSUNIMA - $10.00. This woman left no assets under the control of this office and efforts to obtain payment of your account were unsuccessful.

3. Masano KIMURA - $8.00. As we notified you on May 16,1947, this woman did not reply to our letters regarding your account.

4. Ichiro SHIMIZU - $32.19. As we notified you on November 21,1944, this man did not reply to our letters regarding your claim. At that time we suggested that you deal direct with him.

The claims filed against you, as follows, are still outstanding, according to our records:

1. M. Furuya Co. - $116.05
2. Union Fish Co. Ltd. - $49.21
3. Ebisuzaki Co. - $36.25
4. Komura Bros. - $13.30.

Claim No. 2. Union Fish Co. - $53.00

The representatives of this company have checked up on this account and the books of that company indicate the claim as $49.21. We shall accordingly regard the account as for that amount against you, which of course will be better for you.

Claim No. 5. B.C. Electric Rly. Co. Ltd. - $1.50

We have heard from this company and they say as follows:

"On checking up we find that a final account of $1.50 was overlooked when Mrs. Nagami called to make final settlement.

The amount involved is so small that we have already written it off our records and will not request her to make payment."

Accordingly, we are cancelling the claim of $1.50 against you in this regard.

We wish to acknowledge receipt of yours of the 30th September last, in connection with claims submitted to you in ours of the 18th ult.

No. 1. M. Furuya Co. - $100.00, you state is as reported by you in your J.P. form. However, we have a claim from that company against the Nagami Confectionery, 423 Powell St., for $359.37. Can you account for the difference between your statement and the company's account?

Should be $116.91 Rj 15.10.43

No. 2. Union Fish Co. - $53.00. We are likewise taking this up with the company's representatives in Vancouver for their check-up.

No. 3. M. Ebisuzaki Co. - $52.85. We note that you state that this should be $36.25, and we are advising their representatives here accordingly.

No. 5. B.C. Electric Co. We are writing them today for their explanation of the account.

Since writing to you on the 18th September a claim of $13.30 by Komura Bros. Ltd. against the Nagami Confectionery, of 423 Powell St., has come to your file. Please let us know about this, as to whether it is correct or not.

Attention Mr. G. D. Milsom:

Dear Sirs: Re- NAGAMI, Haruyo (Mrs. Seimatsu)

This is to advise you that I have, in accordance with my verbal instructions from Mr. Milsom, accepted an offer from Mr. J. W. Anderson to remove the junk and broken chattels from the premises on payment to me, on your behalf, of $5.00.

This is another case where a list of contents has been included with the "JP" Declaration, incorporating ridiculous prices where, in actuality, everything that could possibly be sold has been disposed of by the Japanese prior to his evacuation.

In view of the value placed on these goods, which are really junk, by this man, I arranged for Mr. Milsom of your Office to inspect the contents of the premises in order that there should be no misunderstanding as to this situation. He is in a position to verify that any fixtures left on the premises are damaged to such an extent that they cannot be sold for anything but junk. The articles such as cooking utensils, oven, etc., are so old and damaged that they are nothing but scrap metal. The gas oven is entirely burned out and has not been used for years and is rusted through entirely in a lot of places.

Mr. Milsom agreed with the undersigned, after inspecting these contents, that it was really a question as to whether it was possible to obtain any payment whatsoever for these, or whether it would be necessary to pay somebody to remove them from the premises.

Under these circumstances I feel that my recommendation and your approval, that this offer of Mr. Anderson's to clean out the premises, are well founded.

Dear Sirs: - Re- NAGAMI, Haruyo (Mrs. Seimatsu)

If you will refer to my report of the 17th of September, you will note that I drew your attention to the fact that this property had been broken into and that the Police were advised. As the actual articles removed were of negligible value and untraceable, there was nothing much that could be done about the matter except to board up the premises again.

About a week later this property was again broken into but apparently nothing was taken. I accordingly notified the Police and re-boarded it again.

I was advised last night by Mr. Taylor, who lives in the next door property, that he noticed that the rear door had again been forced and took it upon himself to nail it up. The following morning he found that it had again been broken into and on investigating found that certain lead piping and plumbing fixtures had been removed. I do not know just what can be done with this situation, as the Police protection in this district is definitely insufficient and in any case the situation is such that it would be almost impossible for a Police Patrol to notice anybody actually at work breaking in.

I would appreciate Mr. Green telephoning me on receipt of this letter, and discussing the matter.

Dear Sirs: Re- NAGAMI, Haruyo (Mrs. Seimatsu)

As mentioned in my report of the 17th inst., and referred to in correspondence of the 23rd, the letter for which we have been waiting from Mrs. Nagami, covering instructions to sell the remaining odds and ends of the stock and fixtures situated on the premises, has now come to hand and I am enclosing it to you herewith.

It will be noted that she has not stated on what basis she wished these sold. I would like to point out in this connection, that I had Mr. Mizuhara show Mr. Anderson these few chattels. Mr. Anderson has been working in conjunction with Furuya & Co. and several other Japanese on Powell Street, helping them dispose of the final remnants of their individual liquidations. The most he would offer for these chattels was $12.00. It is therefore obvious that it would be ridiculous to advertise these for sale.

Under the circumstances, the only apparent thing to do is to try to get rid of these things individually and endeavour to obtain somewhat more than this amount which should be possible.

Mr. Mizuhara has already disposed of several small items including two empty trunks with broken locks, and two very old dressers and a step-ladder for an amount of $4.00. I suggest that he continue trying to liquidate these odds and ends on this basis and when it is impossible to go any farther with them, to call in a second hand man and dispose of the rest.

I am today writing the Landlord, Mr. G. H. Burton, asking permission to leave these odds and ends on the premises without any charge for rent until such time as he finds a tenant.

Yours truly,

RE- NAGAMI, Haruye (Mrs. Seimatsu)

357 Powell Street, Vancouver, B. C. - 10775.

YOUR FILE NO. 12829.

---

1. On investigating the situation I found the declarent, Mrs. Nagami, had been evacuated on September 11 and the building locked up.

2. On obtaining the keys to the house and the shack at the back, from the Custodian's Office, I gained entry to the premises for the purpose of checking the inventory of the contents and found that the back door had been forced open and that the padlock on the shed at the rear of the house had been snapped off. This matter was reported to your Office by telephone yesterday. I also reported this matter to the Police for record purposes.

3. On checking the inventory to ascertain if any of the effects or chattels had been stolen, I found that a number of articles, list of which is attached hereto, were missing. As it was possible that these articles had been removed by the declarent after making the "JP" Declaration, I contacted a Son-in-law, S. Sasaki of 362 Alexander Street, and got him to check over the inventory. He advised me that these articles were actually on the premises when they were vacated by his Mother-in-law. Reference to this list of missing articles shows that they are of no real value and it seems obvious that it must have been children who broke into the property.

4. In making a complete inventory of the contents, I found that a number of articles were not listed. These items are listed under the heading "Extras" on the same enclosure covering the missing articles.

5. I have re-padlocked the shed at the back, at the same time spiking it up. I have also spiked up the rear door of the premises with timber from the inside, which will prevent a similar situation arising again.

6. The rent has been paid up to the 31st of August.

7. As these chattels are situated on rented property, the matter of disposal of same was discussed with the Son-in-law, Sasaki, and he suggested that the Custodian should dispose of the entire lot and apply the proceeds on account of the outstanding creditors' claims, which reference to the "JP" Declaration shows an amount of close to $200.00. To facilitate this arrangement Sasaki has agreed to write his Mother-in-law advising her to request and instruct me to do this.

8. Unless you see fit to instruct me to store or sell these chattels immediately, it would seem advisable to await a letter from Mrs. Nagami authorizing the sale of these chattels.
