GENERAL SUMMARY

File No. 12431

17th August, 1946.

Re: Shiroki MIYAZAKI - Reg. No. 14334

The above Japanese did not register with the Custodian but lived with his uncle at Hammond. His file reveals no liabilities and no assets with the exception of a trunk left with his uncle, File 4836, and which was sold and credited to the uncle's account. He was fully advised of this through the Department of Labour on the 20th March, 1946, and advised that the uncle and he would have to make a mutual adjustment between themselves.

This file requires no further administration.

The above summary is certified to be in accordance with the information on file.
