You have previously been advised that a sale of lands in rural districts was entered into between this Department and The Director, The Veterans' Land Act.

Due to the size of this transaction, the arrangements for same and the completion of the transfer have taken a considerable time. Negotiations were started in the early part of 1943 and were based upon valuations made by qualified appraisers and on the basis of a sale effective as at January 1st of that year. This means that the 1943 revenues from the property were for the benefit of the purchasers, but that taxes, fire insurance and other operating charges were assumed by them.

The following is a statement showing the sale price and adjustments:

Sale price of above described property	\$ 92.00
Add:	
Unexpired insurance premium as at January 1st, 1943	92.00
Less:	
Tax arrears to December 31st, 1942	\$ 4.81
Registration fee	3.00
Encumbrance—Principal	
—Interest	7.81
Net proceeds of sale	\$ 84.19

This amount has been placed to your credit and a statement of your account is endorsed hereon showing the present balance on our books. A small amount for legal fees in connection with the conveyance to the Veterans' land will be charged later.

Yours truly,

F. G. SHEARS,
Director.

Re: IKEDA, Tanomu - Reg. No. 10878

The above Japanese was evacuated on March 3rd, 1942 and did not register with this office until November 4th, 1943. At that time he declared a \$10.00 War Saving Certificate and a bank account at Lethbridge, Alberta. These were not brought under the control of the Custodian.

Life Insurance: IKEDA also declared a \$1000.00 Sun Life Insurance policy. On March 26th, 1945 he requested that we pay the proceeds derived from the sale of his property against his insurance premium. A cheque for \$33.19 only was paid to the insurance company as there was a \$50.00 hold back to cover legal fees and he was so notified.

IKEDA applied for the Cash Surrender value of this policy and the Custodian facilitated the matter by signing at his request on behalf of his father, the beneficiary. A cheque for \$237.31 was issued to him and his father jointly and after being endorsed by the Custodian on the father's behalf, it was turned over to our Comptroller, B. Good, to be handed to IKEDA when he arrives in Vancouver for repatriation to Japan.

Dear Sir:-

We have for acknowledgment your letter of the 11th instant informing us that you were not the owner of a speed-boat at Ocean Falls.

We thank you for the information that the owner is on an Alberta Sugar Beet farm. We assume that you are referring to Tanomu IKEDA, to whom we have written.

You did not refer in your reply to the claim of \$10.20, which the Vancouver General Hospital has lodged against you. As you have now been working for some time we think that perhaps you are now able to settle this claim, and we would appreciate a remittance from you to enable us to do so. It is only a small claim and it is the only one on file against you. If you pay this amount now, we can have your file cleared of all claims.

Dear Sir:

Re: Sun Life Insurance Policy No. 2,213,997

We are in receipt of advice from the Sun Life Assurance Company that you have applied for the cash surrender value of the above policy.

In accordance with Insurance Companies' Regulations, in addition to your own signature, the signature of the beneficiary is also required, who, in this case is your father, Kumajiro IKEDA, and who is recorded as being a resident in Japan.

Before deciding whether we are prepared to sign on his behalf we are asking you to supply us with information in regard to the upkeep of this policy since it has been in force.

Who has paid the premiums?

From what source were the funds derived from which the premiums were paid?

For what length of time had the premiums been paid and what has been the total amount for same?

What is the cash surrender value of this policy at the present time?

Your father, on account of his close relationship to you, is what is termed "a preferred beneficiary". Have you any close relative residing in Canada whom the Insurance Company would also consider in this preferred class and to whom, if you so wished, you could transfer the beneficial interest in this policy. Those included as "Preferred Beneficiaries" are wife, husband, father, mother, children or grandchildren.

Will you please advise us for what purpose you anticipated using the funds if the cash value of the policy is withdrawn instead of keeping it in force for future protection.

Should we agree to sign on behalf of the present beneficiary would you be prepared to accept a portion of the cash surrender value leaving the balance to be placed to the credit of the beneficiary for the time being.

We are holding this matter in abeyance until we hear further from you.

Yours truly,
