In view of the fact that we have not heard from you since spring about my father's camera that we left in your care, I thought that I would inquire as to the matter.

I am Shojiro Okawara's youngest brother attending University at the moment. I had hoped that if I got the camera or any similarity of the one given in your care, I could trade it in for a reflex camera to earn some pocket momey.

If in any case you should locate something similar or not I would greatly appreciate if you consider this letter and give me a reply as it would settle the matter of the camera and give me a chance to carry on other plans.

I am quite confident that your department will be fair in this matter.

Yours sincerely,

In view of the fact that my letter to your department dated 22nd of June has been unanswered I am again required to write to your department concerning our camera.

I was informed by my brother, Shojiro Okawara that he sent the receipt for the return of our camera about two years ago. Not interested in the camera or in the field of photography he left the matter of not writing to your department when he never received the camera. This summer I happened to ask my brother about the camera and was informed as stated above, therefore I wrate to you myself inquiring as to the whereabouts of the article. I was also informed by my brother that he received a letter from your department stating that a similar camera had been located and stated whether this replacement would be accepted. My brother wrote to your department tant this replacement would be accepted and to send the camera to his address. But unfortunately no article or a letter was received by my brother in request of the replacement stated.

I hope after reading this letter I would be informed at your earliest convenience to the chance of having our camera or a similarity returned to us.

Yours very truly

Horvey Opiwara

Dear Sir:

Re File No. 12911-12651

To-day we received the camera you have forwarded to us and we are utterly disappointed in your valuation of the camera. We understood that during the evacuation our property was for safe keeping and that your department held that responsibility for the return of any of our property in your care. We would not feel disappointed in any way if your department had sent us a camera equal in value to the one which was misplaced, but to send us a camera of no value whatsoever for its use is rather ridiculous.

I have used many cameras, since I relocated to this city and I know myself the uselessness of this camera which you forwarded to us. Therefore, I am returning the camera back to you as I feel if you cannot locate our camera at least some renumeration is due to us for the loss of same.

Yours sincerely,

from H. OKAWARA

12651 & 12911 21st November, 1950. Mr. Hideo OKAWARA, Regn. No. 15467. 270 Ruchid Avenue. Toronto 3, Ontario. Dear Sire This will seknowledge receipt of your unsigned letter of the 13th Movember and one camera. In so far as your brother's camera is concerned, please be advised that he was informed of the loss of same in our letter to him of 13th May, 1946. We regret that we can take no further action in Yours truly, M.L. Brown, Office of the Custodian.
