Sir:-

In your letter of Sept. 11, I note that you state that your attention has been drawn to the fact I have left the protected area. I am sure that if you had pursued your investigation somewhat farther you would also have discovered that I had left my native province long, long before Pearl Harbour, to reside permanently in Eastern Canada.

At any rate, I should think that, if any doubt existed, a letter of enquiry would have been in order, and I could have appreciated that. But when you deem it proper to address to me an abrupt order requiring me to submit particulars of some non-existent property, at the same time criticizing me for failing to do so where I left British Columbia, I feel I must protest, as a non-evacuee, against being so visited with a matter which is of no relevance whatsoever as far as I myself am concerned.

I write this with all due respect to the business of your office.

Yours very truly,
 John C. Lami

Mr. John Canao TANI,
Registration No. 15293,
1170 Dorchester Street West,
Montreal, Quebec.

Dear Sir:

Thank you very much for your letter of September 15th which has just reached us, and also for kindly informing us that you left the protected area of British Columbia previous to December, 1941.

Our form letter sent to you on September 11th was addressed to you because of the fact that your father declared that he and his family had left Port Alberni at some date subsequent to March 19th, 1942 and we presumed, therefore, that you travelled with your father as a member of his family.

Yours truly,

R. P. Alexander
