Dear Sir:

RE: Winebaru Hamatani - \$167.11

Thank you kindly for yours of 7th Inst in connection with our claim against the above party to the amount of \$167.11.

Although we have no note in our possession, we are submitting the true copy from our ledger and we have all the daily sales book on various items supplied by us to the above party stored in the basement and it would involve a tremendous work to show items by items. However, we have supplied the above amount to the above party and if he should deny this amount, we are obliged to go through with hundreds of our daily books but we are quite confident and hoping that this will not be necessary.

You will note the marks of ticks at the right hand side of debits amounts when we presented the bill to him. Most of the goods supplied by us were groceries and some were clothings.

Thank you for your kind attention.

Yours truly,

M. NISHIGUCHI COMPANY, LIMITED,
