Re: Policy #716,873 -
Yoshihide Sasaki

Enclosed is a copy of a letter that this policyholder wrote to our Toronto Office. In view of the fact that you are holding the policy, we do not think that we should communicate with the Insured direct, without first getting in touch with you.

The gross surrender value at the present time, is \$245.76, subject to loan indebtedness of \$100.00, leaving a net value of \$145.76. The policy is payable to the Insured's father, Shuichi Sasaki.

Would you please advise if it is in order for us to communicate this information to the Insured.

Yours very truly,

Dear Sir: ^{out?} Re: Your Form Letter # 118 - 13091

I have two insurance policies of \$1000. each -
one with the Monarch Life Insurance Company ^{P81688} and
the other with the Manufacturers Life Insurance ⁷¹⁶⁸⁷³
Company. Until I received your letter I did not
know where my insurance policies were
kept. This is the reason why I have not been
paying my premiums. Please send me my
policies immediately to the above address and
I will arrange the payment of the premiums
with the insurance companies myself. I believe
that this will be better for the both of us, saving
you a lot of unnecessary work.

Yours very truly,
Y. Ozaki
