Dear Sir:

Re: Sea Food Restaurant

I have your letter of February 2nd and at the time I wrote my letter of January 30th I did not realize that this was the company we had discussed on the telephone.

There would not appear to be any enemy interest and I regret having put you to this trouble.

Yours truly,

Dear Sir:

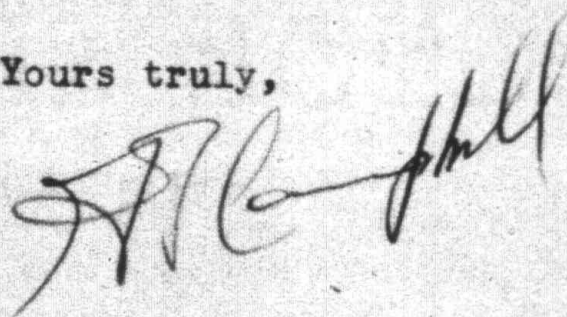

Your letter of January 30th addressed to Sea Food Restaurant, 333 Carrall Street has been referred to me for attention. You will recall that I phoned you about a week ago in this connection.

I have to advise that the owner of the business was Roy E. Shoji, though he had made some sort of transaction with Motu Matsushita. Shoji has currently completed arrangements for the sale of the business to John Kitchener Storey, and I have in hand documents relating to this sale ready for execution.

The sale of the business is for \$4250.00 payable as to \$1750.00 on February 26th and the balance at \$100.00 per month, or 50% of the net proceeds, whichever is the larger. Security for the initial payment is to be given by way of mortgage from Storey to Shoji over the former's pleasure boat "Whangarei". The transaction itself is, of course, under a contract of conditional sale.

The Vendor, Shoji, is an unnaturalized Japanese and resides at 2161 East Georgia Street, Vancouver, B. C. Any further information you require, please advise.

Yours truly,

Re: Consolidated Regulations Respecting  
Trading with the Enemy (1939)

I would appreciate being advised as to who the owners of your restaurant are, where they reside and when they purchased same. If the purchase was recently made full information concerning the vendor and the nature of the sale should be supplied.

Your co-operation will be greatly appreciated.
