Re: Mitsunori Robert MIYABARA - #09133.

The filing room report that there is no file number 13750 and the ledger account under that number but in the name of above evacuee should apparently be changed to 13751 to bring it into line with our other records.

It would be appreciated if you would make this change.

Dear Sir:

Received your letter (your file No. 13751) and "J.P." Registration form. I have listed under my name all household goods and tools totaling approximately \$200.00 worth.

However, at present I am not able to give you any definite answer to what and whereabouts of the goods.

As you know that when we were evacuated we were not given any time or opportunity whatsoever to take care of our goods.

In order to write a satisfactory and substantial inventory of the goods I must see my mother

center in Roxbury.

Therefore, I will write to you
as soon as I have the details of
whereabout and all the other necessary
information.

Sincerely yours,

R. M. Wingmaker
