Dear Sir:

I have recently received your letter
of the 16th

The fact that I had left my
personal belongings at a friend's place,
2141 Dundas St., Van. B.C., when
leaving the coast very early in March,
is has been rather a long time & I find
it difficult to state just what each
article is. I have a small
fractional list of the things left
behind but of course there is many
more which I cannot recall at

the present moment. I would
like to have ^{them} sent to me, but
as my friend had put them some
place in his house unknown
to me, it is difficult to do such
a thing.

This is why I have delayed your
letter. Will you please write
and inform me of what I should
do so that I may fill out
your GP forms correctly.

Thanking you for your attention

Yours truly,

Mary Heinicke

Dear Madam:-

Thank you for your letter of April 22nd telling us that you left your personal belongings at a friend's place at 2141 Dundas Street, Vancouver, B. C. This is the address of Mr. Teiichi Amano now at Revelstoke.

You say that you would like to have these things sent to you but do not know where your friend placed them. If we are correct in assuming that Mr. Amano is the friend, please write to him direct and secure exact particulars.

When you have done this, please act on the lines of our enclosed form #107 and we have no doubt that shipment can shortly be arranged. If you are going to request that everything you own be sent to you, it will only be necessary to fill up the yellow "No Property" card sent on February 26th and return this to us.

Yours truly,
