Dear Sir:

We are in receipt of your letter of the 18th inst. relative to accounts owing to you, about which we had previously written.

re: Saburo TANIKAWA ✓

We note what you say and shall mark this claim settled so far as our records are concerned.

re: Rihiro KAWABATA

You say that you have cut this claim down to \$300.00 if KAWABATA would pay by the end of April of this year. In checking over the file it seems useless for us to endeavour to collect from this man. You stated in your letter of the 31st of March last year to us as follows:

"Some day I will send KAWABATA another claim through Mr. Young."

Perhaps handling it direct or through Mr. Young would have better results, and we would eliminate further correspondence. As you know where he is located, and can contact him we shall discontinue further action. However, we shall be obliged if you will advise this office of any settlement of the claim so that we may make a notation on our records.

Yours truly,

B. R. Dusenbury,
Claims Department.

If you will let me know his

Dear Sir:

On February 15th we forwarded you three copies of the "J" property declaration form, requesting you to complete the forms and to return two copies to this office. As we have had no reply from you, we think it may mean that you have no property remaining in the Protected Area. If that is the case, please fill up, sign, have witnessed and return to us the enclosed yellow 'No Property' declaration card. If you have property in the Protected Area, please complete the forms sent to you last month. Your prompt attention to this matter will be much appreciated.
