RE: SERIES #13766, GEORGE OHAMA.

Dear Sir:

We are writing to you with reference to a Radio which was purchased from us in December of 1941 by Miss Mary Ohama. This radio was in the possession of George Ohama, 540 Strawberry Hill, B.C., and has recently been taken into custody by the R. C. M. Police.

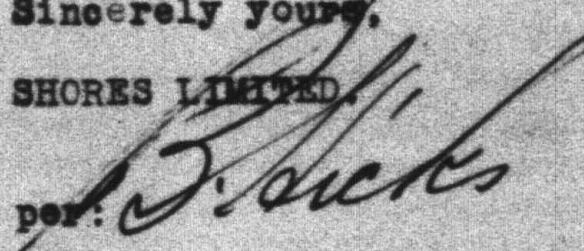

The Radio was one of several articles purchased by Miss Ohama at that time. As the account still shows a very large balance, Miss Ohama is anxious if possible to have the radio returned to us. We have agreed to credit her account with this amount less a small charge for use of the article, if arrangements can possibly be made to repossess it.

It will probably be necessary for us to write off a large part of this account, and undoubtedly it is not the intention of the Government to retain articles which are not paid for.

We would appreciate it greatly if you would advise us by return mail if some provision has been made for such an event, and if so, what procedure we should take.

Sincerely yours,

SHORES LIMITED.

Dear Sirs:

On May 27th, 1942 you attached to your letter 3 documents entitled "Notice of Seizure"; 2 of these are dated April 30th, 1942 and the other one May 27th, 1942.

I regret that your letter has not been replied to before due to the fact that this office is extremely busy, so much so that it is difficult to keep correspondence up.

I am somewhat at a loss to know how the seizure was made; there has not been any actual seizure while, if there had been it would have been contrary to the Regulations. May I draw your particular attention to Regulation 51 which reads as follows:

"No property vested in the Custodian shall be forfeited for default in doing any act or making any payment in respect thereof, or attached, seized or taken under any legal process or any distress, or foreclosed, or sold under any mortgage, lien, pledge or charge, or sold for any tax or assessment.

One of these cars has been sold to the British Columbia Government for an amount in excess of the registered lien and therefore, when a cheque is received from the Government, the lien will of course be paid in full. This particular truck is a Dodge, D. D. 16 Express.

The Dodge 1942 Truck, 2 ton, was released some little time ago to the Pacific Co-operative Union at Mission City.

The Ford Sedan Car referred to by you is at Hastings Park.

For your further information, I would advise you that in each of these three cases, the Columbia Securities Limited notified this office of the amount of their lien and which amounts have been duly entered on the records of the Trustee.

You will of course have to get in touch with the Pacific Co-operative Union of Mission City with regard to the Truck that was released to them.

Yours faithfully,

COPY OF A LETTER FROM COLUMBIA SECURITIES LIMITED, June 17, 1942.

Mr. Edgar T. Read,  
501 Royal Bank Bldg.,  
Vancouver, B. C.

Dear Sir:-

Your letter of June 13th to the Retail Credit Grantors' Bailiffs Limited, has been turned over to us. We are at a loss to understand the attitude of your office as the writer phoned there approximately two weeks ago and was informed that the two 1942 Dodge Trucks had been sold and we would be receiving the cheque in due course. We have then received the letter of June 13th in which you state that: "The Dodge 1942 truck, 2 ton, was released some little time ago to the Pacific Co-operative Union at Mission City."

In view of the fact that this firm did not have a five cent piece invested in this truck and your office had knowledge of our lien on the truck and your office had knowledge of our lien on the truck we are at a loss to understand why we were not advised when you released the truck. We have repossessed the truck from the Pacific Co-operative Union, and found that there was no spare tire or tube, also the tools are missing and there are no keys. Mr. Shimek advises us that this is the condition of the truck when released by yourselves.

In view of this being a very serious matter in regard to the tire as it was a brand new ten ply tire, we would appreciate you checking your records and advising us before we report this tire as stolen, as naturally we have to report this to the police and also our insurance company, but we do not wish to cause this trouble if your representatives took this tire off for safe keeping.

We understand that the Dodge Express Truck has been sold to the Provincial Government.

In regard to the Ford Sedan car, we would greatly appreciate it if you would advise us when this car is released in order that we may protect our equity.

In conclusion we would like to point out that the 1942 Dodge Truck which was brand new has been exposed to the weather ever since being surrendered to you at Hastings Park. Naturally this has not improved the condition of the truck at all.

Awaiting your reply, we are,

Very truly yours,

Dear Sirs:

I would like information concerning the Japanese held articles.

Are the Radios and cameras to be returned? If they are, are we to pay frieght?

We recieved a notice to pay a payment on our truck which we placed in Hastings Park. The note is held by Columbia Securities, 821 Hall Building, 789 Pender St.W., Vancouver, B.C.

We would like to know, if we are to keep up payments? Is the truck (1921-panel 1/2 ton Dodge) sold, if so are we to recieve any part of the selling price? If it is not sold? Are we allowed to sell it you or have it sent to us. The truck is in the name of Y. Inochuchi, George Ohama, Albert Ohama.

Thank you.

Yours truly,

George Ohama.

Dear Sir:

Dodge Express Truck - T142

We have your letter of April 2nd, in regard to the above named truck.

We have not had replies from either Mr. Albert Ohama or Mr. Taichi Inokuchi to our letters of February 19th.

If we had a letter, giving the information contained in yours of April 2nd, signed by the three of you, we could straighten this matter out. Possibly you could obtain this without much trouble, and send it to us. The money could then be credited to the three accounts.

Request for money being held to your credit should be addressed to our Administration Department.

Yours very truly,

F. Matheson,  
Specified Articles Department.

Dear Sir:

You will recall that the sale of the Dodge express truck in which you, Albert Ohama and Yaichi Inokuchi were equally interested, resulted in net proceeds of \$249.75. From this figure of \$249.75 a cheque for \$100.00 was forwarded to you jointly on May 11th.

Please note that we have transferred from a Trust Account in the names of the three individuals named, one-third of the balance involved amounting to \$49.92, to your own account, and this figure of \$49.92 therefore stands to your credit.

Dear Sir:

Re: Mrs. Kimi CHAMA

Thank you for your letter dated June 12th in connection with your mother's debt to the Singer Sewing Machine Company, which at the moment stands at \$81.51. — 8/20

At the present time you have a credit balance with us of \$49.92, and in accordance with your request, we are forwarding a cheque for this amount to the Singer Sewing Machine Company. A balance owing thereafter will remain of \$31.59 plus the cost of shipment. In order that payment may be met in full, we have written to your brother, Albert Chama, and perhaps he will be willing, by return mail, to authorize this office to apply any necessary portion of his credit balance with us towards helping your mother to complete payments on the Singer sewing machine and effecting shipment of it to your mother.

Yours truly,

R. P. Alexander,  
Manager.

Dear Sir:

My mother, Mrs K. Ohama, received a bill for a Singer sewing machine. would it be alright to cancel this bill by ~~the~~ deducting the ~~amount~~ amount owed to the Singer Sewing Machine Co. from the trust fund in my name. The trust fund was started on the sale of our 1942 Dodge express truck.

If this arrangement is satisfactory could you please send the machine to Mrs K. Ohama.
