Dear Sir:

Our attention has been drawn to the fact that you have left the protected area, in consequence of which all of your property remaining in the protected area has vested in the Custodian.

However, before leaving the protected area you failed to provide us with particulars of your property by means of completing "JP" registration forms. In order that we may properly administer your affairs it is necessary for us to have complete information regarding them. You will find enclosed three copies of our regular "JP" form and we would ask you to be good enough, without delay, to complete these forms fully, to sign and have witnessed two of them and to return to us two copies, retaining the third copy for your own use.

In the event that you have no property remaining in the protected area, please notify us accordingly by return mail.

When filling in the items requested in the "JP" form we must again stress the need for complete particulars.

Thanking you for your immediate attention to this request,

Yours truly,

R. B. Alexander
Manager.

Dear Sir:

Re: Block 20 of Lot 273,
Kootenay District.

The above-mentioned property registered in the name of Hyakutaro KINOSHITA, an evacuated Japanese, and vested in the Custodian of Enemy Property, is reported to us as having been sold to you and certain associates by Mr. H. A. McDonald. This transaction no doubt took place before you left Selmo but we would like to know what connection you have with this property, if any.

An early reply will be appreciated and we are enclosing herewith a stamped, addressed envelope to facilitate an early reply.

Yours truly,

W. J. Johnston,
Administration Department.
