Dear Sirs:

Re: Relocation After September.

Few days ago I have received a letter from my father, Kuniharu SHINOHARA of Greenwood, P.Q., requesting me to write to your office enquiring as to what provisions will be left by the Commission when it dissolves in September, in favour of those persons who have been very anxious to relocate for the past year but could not due to unavoidable circumstances, circumstances blamable to no one.

In order to forward my point little clearer I feel that I must relate more fully the circumstances which is preventing my father, mother, sister and brother to relocate although they are very anxious to do so.

About a year ago the above mentioned four were ready to relocate to Ontario to join my elder brother and sister. During the physical examination it was found that my younger brother, who was 14 years of age at that time, had tuberculosis. Because the doctor's opinion at that time was that since the sickness was in a very early stage, half a year confinement in the New Denver Sanitarium would improve his condition, consequently my parents postponed their relocation date.

Now today my father, who has been under the employ of the C.P.R. for the past two years is confined to bed due to some paralytic illness. (This may be verified with Dr. KUNITAKARARA, of Greenwood). Even under such condition my father is anxious to relocate to Ontario before the Commission dissolves. Of course this is against the doctor's orders.

I, too, am not in favour of father coming to East before he has regained some of his health. Another thing is, to leave my younger brother in P.Q. alone will not help him to early recovery.

With these facts in mind I would like to ask your office if you will provide some special arrangements so that my parents may relocate in the future date enjoying the same privileges that we all had when we relocated?

In expectation of early reply from you, I remain

Yours respectfully,

T. SHINOHARA
