Gentlemen:

We have received a request from the above named insured for the Cash Surrender Value, \$52.45 of his policy.

The application for insurance gives Japan as the place of birth and gives 782 Hastings B. Street, Vancouver, B. C., as the place of business and residence of the insured. The application for surrender gives an address as follows: c/o A. T. Howe Office, R.R. #2, Vernon, B. C. We have no information as to the beneficiary.

The surrender value if granted, will be paid by check drawn to the joint order of the insured Masae Bando and of the beneficiary Masaye Bando.

We are unable to determine whether the insured and beneficiary are evacuees but there is a possibility in view of the change of address.

Therefore, we would appreciate your advice as to the proper procedure to follow in order to disburse the funds.

We would also appreciate it if you will please forward your reply marked for the attention of the undersigned.

Very truly yours,

J. J. Reinfelder
Administrative Assistant.

Dear Madam:-

We regret that we have omitted to answer more promptly your letter of January 8th asking for part proceeds of sale of your pressing machine. We will be able to send you some money very promptly but should first like to hear from your husband as we think that although he is not registered with us, he must have an interest in this equipment.

We are sending herewith our form letter #51 and enclosures which we request that he fill up and return. If he has no property other than that already declared by you (pressing machine, boiler, cash register etc. etc. left at 782 East Hastings St.) it will be in order for him to fill up the yellow card only. Otherwise he should fill up the white sheets as instructed in our enclosure.

If then you will return these forms with a request jointly signed for the proceeds of the pressing machine, we shall be able to send you some money.

Yours truly,

H. F. Green
