Dear Sir:

I would like to inquire about our insurance policies. I, Takakichi Yamada, is the policyholder of No. 79422257 and my son Takakazu, Policy holder No. 77422506 and Kazup Policy No. 84608633. My son Kazuo and I will be repatriated to Japan in the near future and I would like to know if my son Takakazu, policy holder No. 77422506 could continue the payment of the premium for us because he will be staying in Canada.

When the 20 yrs. of payment is finished, will the Company be able to transferr the money to Japan and will we be able to receive the sum there? If anything should happen to one of the policyholders mentioned above while we are in Japan, would it be possible for any member of the family to get the insurance?

I would be much obliged if you would bring your attention to the above questions as early as possible.

Yours truly,

T. Yamada
