TANAKA, Taichi - Camera

Dear Sir:

With reference to your letter of the 15th instant regarding the camera owned by the a/n person.

Ost. E. Sarsiat is at present away on duty and will not be back until the end of this month, however, I might say that I do know that the Royal Canadian Mounted Police from Victoria, B.C. made a patrol to this District and picked up all the Japanese cameras. Would suggest you get in touch with their office.

There doesn't seem to be any record here of this man turning in a camera of any kind. Should a Receipt be found belonging to TANAKA we shall inform you at once.

Yours truly
