Re: Shigeru YAMAMOTO

We wrote to this Japanese on May 3rd thinking that he might possibly be the owner of an outboard engine credited to the account of S. T. Yamamoto who is not registered with the R. C. M. P. No reply has been received so it is assumed that Shigeru Yamamoto has no claim and chattels on his file may be regarded as closed.

Mr. Shigeru YAMAMOTO,
Reg. No. 09744,
Peck Farms,
Lethbridge, Alta.

Dear Sir:-

You will remember that in February you sent us a "No Property" card. We should be very interested if you would advise us, however, if at any time you owned a fishing boat or engine while you were at Port Alice or Ocean Falls. If you can give us any information in this connection, you may hear from us to your advantage.

Yours truly,

H. F. Green
