Sir-

Before evacuation, in January 1942, I left a pair of skis and harness at the Fuji Ski Club House on Grouse Mountain. I wish to know what has happened to them, and whether it is possible for me to get them.

Description of skis - Type - jumping skis; - 3 grooves; Length - seven feet; color - dark brown; initials J.N. in front of toe clamp. Attached to skis are spring cable harness.

Yours truly

J. Nishiyama
