Dear Sir;

I am interested in fishing on the Pacific coast this coming season, and would very much appreciate any information you~~xxx~~ can send me on this subject.

I intend to fish on a commercial scale if conditions are favorable and would particularly like to know about the Prince Rupert and Vancouver districts

I would also appreciate any information you can give me on the disposal of the Jap fishing boats, also cost of boat, equipment, licence, etc.

Thanking you ~~xxx~~ in advance for your kindness.

Yours truly,
W.J. Martell
