Dear Sir:

I was referred to you by Mr. J. E. Gilmore of Kyuquot to see if you could give me any information about the proposed plan of using the Japanese boats for fishing this coming season.

I am living at Chamiss Bay at present and have my home here and would like to get a boat for this season if possible to use for trolling from Bamfield to Quatsino.

If you could give me any information about this plan or let me know where I could get this information I would be much obliged.

Yours truly
G. Holder
